	<p>10. A manager or Coach may visit the pitcher only twice during the same inning. A third trip to the same pitcher in the same inning will cause the pitcher's automatic removal. It shall be construed as a visit to the mound when said Manager or Coach approaches the foul line or when the pitcher leaves the mound to confer with his Manager or Coach.</p>
	<p>11. A Manager or Coach may visit the same pitcher only 4 times during the same game. A fifth trip to the same pitcher in a game will cause that pitcher's automatic removal.</p>
<p><u>Pitching Rules</u></p>	<p>12. A pitcher must be removed from the mound if he hits 3 batters in an inning or 5 batters in a game. A batter shall be deemed "hit" and awarded first base only if he is struck by a pitched ball (whether it be on a fly or a bounce). Rule clarification: if a batter swings at a pitch and the batter is struck in the hand with the pitched ball, the pitch is ruled a dead ball. No defensive play can be made on the ball. The pitch shall be recorded as a strike with respect to the count on the batter. The batter is NOT awarded first base. If a batter is struck in the hand by a pitched ball while not in the process of swinging, the batter is considered "hit by pitch" and awarded first base. The pitcher is charged with a hit batsman.</p>

Repeated violation of the pitching rule shall result in further disciplinary action to the manager and coach.</p>
	<p>15. Manager must remove the pitcher when pitcher reaches his/her pitch limit. Pitcher can finish batter started prior to reaching pitch count max.</p>
	<p>16. Pitcher once removed can remain in game at another position</p>
	<p>17. A catcher who has caught four (4) or more innings cannot pitch for the remainder of the day. One pitch counts as an inning.</p>

<u>Batting Rules</u>	<p>1. All bats must be approved by USA Bat. 50/70 players are permitted to use BBCOR drop 3 bats.</p> <p>2. Manager will check bats before the game to ensure they comply with the bat rules specified in the CNLL Interleague Rules. If a pitch is thrown and the batter has an unapproved bat, the player will be out and the manager will be issued a warning. The second occurrence will require the manager to be suspended for one (1) game.</p> <p>3. The batting order submitted at the beginning of the game shall list all the players on the team. All players on the team shall bat in order throughout the entire game even though only 9 or 10 players are on the field. This does not mean that a player will only bat. He will also be substituted in the field for a minimum of 3 innings. This will give all players an equal opportunity to develop their skills at bat, on the field, and hold their interest in the game.</p>
<u>Lightning and Thunder</u>	<p>1. Everyone participating in a Little League event, including games and practices, are expected to follow these basic guidelines when there is thunder and/or lightning.</p> <p>2. All players must leave the field and immediately go to their parent's or manager's vehicle.</p> <p>3. The 30-minute countdown restarts every time lightning is seen or thunder is heard.</p> <p>If there is a second occurrence 10 minutes or more after the first lightning/thunder, all games are suspended. The CNLL Board will determine the scores of the games and if the games will be rescheduled.</p> <p>4. Players must wait in cars/vehicles and NOT in their dugouts.</p> <p>5. The concession stand will be closed during this time.</p> <p>6. Activities can resume once 30-minutes have passed from the last time lightning is seen or thunder is heard, or an onsite Board member makes an all-clear announcement.</p>

A 12 run Mercy Rule is in effect after 4 innings. If the home team is trailing they must get a final at bat. 5 run rule per inning per team for the 1st 3 innings. No run rule starting in 4th inning.
There are essentially no walks. Once the 4th ball is thrown, the coach come in to pitch to them so the batter can hit. The batter then gets 3 swings to get a hit or they are out. After a combination of walks and hit batsman (hit by pitch) totaling 5 by the same pitcher, the manager/coach of the team at bat must be brought in to pitch to his team for the remainder of that inning, but the pitcher still plays defense as a pitcher. . <i>The manager/coach may not field a ball. The inning ends when there are 3 outs or the 5 run rule per inning is reached.. That way players get to hit and fielders get some work and are not standing around. Then after 5 "walks" coach pitches remainder of the inning. The pitcher also has had the opportunity to throw to at least 5 batters. We utilized this in the past and the coaches, parents and kids loved it!</i>
If the coach of the team at bat is brought in to pitch to his/her own team, the defensive pitcher shall stay on the mound and field accordingly.
There shall be no further walks when the coach is pitching. The umpire will not call balls or strikes. The batter must put the ball in play or strikeout swinging.
The manager who is pitching shall make no attempts to field a batted ball. If he/she does, then the batter will be declared out and all base runners shall return to their original bases.
Manager or coach must pitch from the pitching rubber.
Each player can pitch only a maximum of 1 inning per game.
For playoff games, a pitcher can pitch multiple innings provided his pitch count does not exceed 50.
A pitcher must be removed from the mound if he hits 3 batters in an inning . A batter shall be deemed "hit" and awarded first base if a pitched ball strikes him, whether the ball hits the batter on a fly or after it bounces.
During the regular season pitchers can pitch from 43 to 46'. However, during the playoffs all pitchers must pitch from the pitcher's mound.
Only legitimate <u>doubles and triples</u> will be permitted. Players are not allowed to advance to second on a base hit due to an error. Players are not allowed to advance to third on a double due to an error.

An inning shall be considered completed when either 3 outs have occurred OR 5 runs have scored. **The 5 run rule does not apply once 4th inning starts**

10 players are to be used in the field. However, the 10th player cannot be positioned as an infielder, i.e. within 50 feet of the pitching rubber. **If playing with 4 outfielders, no outfielder can throw out a runner at 1st on a batted ball. If playing with 3 outfielders, an outfielder can throw out a runner at first base on a batted ball.**

When the pitcher is in possession of the ball and is standing on the pitching rubber, play will end and the Umpire shall award the "closest base" to the base runner when applicable.

3 adults may be present in the dugout during game time. They shall be the Manager, Coach and Assistant Coach.

A game in the 8U FARM DIVISION shall be deemed completed if after the losing team has completed 3 turns at bat, it remains behind or if the home team goes ahead at termination.
