

2023 SPECTACULAR DAY INFORMATION

EVENT STRUCTURE

- There will be three sessions.
- The sessions will be created once all teams have registered and the divisions can be determined.
- Spectators and teams will be permitted to remain in the gym throughout each session.
- There will be sections of the bleachers reserved for teams on the same side as their spectators.
- It is recommended that you do not allow cheerleaders to have personal items with them. CCL cannot be responsible for your team's items as you transition to and from warm-ups.
- The gym will be cleared at the conclusion of awards after each session. Spectators will not be permitted on the performance floor.
- Directors and Coaches will be dismissed with their teams after awards, then the spectators will be dismissed. Everyone will exit the doors on the football stadium side of the gym. See the map on page #4.
- Spectators will not be permitted to leave personal items in the gym (save seats) in between sessions.
- Spectators and teams will not be permitted to exit via the doors they enter.
- There will be a music check before each session. Coaches should designate someone to check their music just in case their team is in warm-ups during that time.
