

Re.: Request for Sponsorships and Donations – Challenger Day 2025

Dear Community Partner,

On behalf of the Newtown Edgmont Little League (“NELL”), I’m thrilled to share an exciting opportunity to support a heartwarming event — **Challenger Day!** It is our pleasure to host Challenger teams from across the region for a day of baseball, food, music, and surprises. The event will take place on **Saturday, May 17** at our Newtown Edgmont Little League complex.

The Challenger Division of Little League Baseball provides children and young adults with physical and developmental challenges the opportunity to experience the joy and camaraderie of baseball in a safe, supportive environment. This special day is the highlight of the season, where the spirit of inclusion, community, and pure love of the game shines.

To make this day magical for every athlete and family attending, we are seeking **sponsorships and donations** from generous community partners like you. Your support will help us provide t-shirts and medals for all players, tent, tables, chairs, food and refreshments, games, entertainment, and music.

How You Can Help:

- **Monetary donations** to help fund event costs. *We are fortunate to have a special benefactor willing to match our raise!*
- **In-kind contributions** (food, drinks, raffle items, or entertainment services).
- **Sponsorships**
