

NEGAUNEE LITTLE LEAGUE PLAY UP OR DOWN REQUEST AND WAIVER FORM

Per the NLL Petition to Play Up or Down Policy, NLL allows parents/players to request a WAIVER to allow their player to play up or down league divisions. Requests and any approval granted are for one playing season only. Requests are accepted by application only by the parent or legal guardian. While NLL does not recommend that players play up, NLL does recognize that there may be several factors, including but not limited to, size, maturity, playing experience, and exceptional skills that may warrant a child's ability to play up.

Play up or down requests must be submitted to the NLL Board for consideration by the end of February for season 1 and by the end of April for season 2 in order to be considered. Play up/down requests will only be considered for registered players.

I, the parent/guardian of the above-minor child, hereby request my child to play baseball/softball in an age group above or below that assigned and recommended by NLL. For requests to play up, I am aware that my child will be playing against older and potentially more physically developed players with potentially higher level of skills, and I, therefore, recognize the added risks to my child's health and safety, as well as to my child's emotional well-being. In signing below, I accept these risks and all and every liability and responsibility stemming from such risks as my own, and I absolve the Negaunee Little League, its board members, volunteers, and associated personnel against any claims by or on behalf of the player named above and from any responsibility for the same. I also acknowledge that I am making this decision on my own initiative and have not been requested to do so by any NLL coach or member.

It is NLL's policy that all players compete at a level they are capable of, both physically and developmentally. For a player to move up or down requires approval from the NLL's voting board members.
