

House Baseball And Softball Team Sponsors

Each year, it is the generous financial support of our sponsors that allows our league to continue. Would you please consider sponsoring a house softball or baseball team for the season? We have two levels of sponsorship available, both of which give you your business logo, or name and phone number, on the back of a team uniform for the upcoming season.

Uniform/Team Sponsorship

_____ \$200: Subsidizing Sponsor. Logo or name address and phone number on uniforms

_____ \$500: Full Sponsor (Covers all team uniform costs): Logo or other information on uniforms PLUS a 2x4 banner on the backstop at the diamond on which that team plays the majority of their games.

***Please note, not all sponsor requests to sponsor a team or an individual player's team can be honored. Some levels hold drafts to assign players to teams, and our uniforms are typically processed or assigned by that point. We will make every effort to do our best, but some years it is just not possible.
