

2018/19 Annual  
Claremont Little League College Park Good Neighbor Agreement

The annual "Good Neighbor" agreement between Claremont Little League (CLL) and the neighborhood of Green Street and Elder Drive is to insure a better relationship between Claremont Little League (CLL) and the Green Street and Elder Drive neighborhood. The City will facilitate an annual meeting, in the summer months, between Claremont Little League (CLL) and the College Park neighbors to address new concerns, discuss the neighbor agreement, and modify the agreement if needed. Both groups have met and negotiated this agreement.

Points negotiated for the Claremont Little League (CLL) and the Green Street and Elder Drive neighborhood are as follows:

Parking:

- CLL will notify and ask all overflow traffic to park in the Metrolink Parking Lot north of College Park and discourage parent and spectator parking on Green Street and Elder Drive.
- CLL will notify and instruct children, parents, managers, coaches, and board members that there is absolutely NO playing in the parking lots.

Sports Lights:

Lights are not permitted on dates other than those established in this agreement. CLL will guarantee NO lights on Sundays.

- Fall 2018
  - Lights may be used only:
    - Tuesday, October 30, November 6 and 13
    - Wednesday, November 7 and 14
    - Thursday, November 1, 8, and 15
  - Lights may be turned on at dusk
  - Lights must be turned off at 7:00 p.m.
  - Each field is equipped with one emergency light that will remain on 10 minutes after the lights go out.
- Spring 2019
  - Lights are permitted no earlier than January 28 and no later than July 27
  - Light may be turned on at dusk
  - Lights must be turned off at 9:00 p.m.
  - Each field is equipped with one emergency light that will remain on 10 minutes after the lights go out.
  - Lights are permitted for playoff games between Monday, May 20 and Friday, May 31 until 9:30 p.m. Lights will only be extended if a winner cannot be determined prior to the intended 9:00 p.m. cut off. Lights must be turned off immediately following the conclusion of the game.

Amplified Sound:

- Usage of the PA system will be limited as much as possible, speakers will be facing the northwest side of the fields, and children will not be permitted to use the system except under the supervision of an adult.
- Notification will be mailed to residents in the Green Street and Elder Drive neighborhood with specific dates and times the PA system will be used at least two weeks prior to

opening day. A second notification will be sent prior to closing ceremonies and will include closing ceremonies and play-off games.

- The PA system will be primarily used for opening day, closing ceremonies, Challenger games, and playoff games.
- Music will only be permitted for opening day and closing day ceremonies, speakers will be facing northwest, and will be monitored and adjusted as needed by CLL and the City of Claremont.

Additional Agreements:

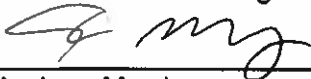

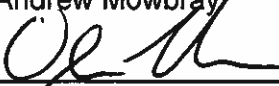

CLL will paint, or otherwise cover, the reflective backs of any advertising sign that produces excessive glare facing the neighbors south of the fields.

CLL will notify and instruct managers and coaches that there will be NO "warm-up" including, but not limited to, soft toss, batting practice, throwing/catching of balls or instruction on the "greenbelt" area south of the walkway.

CLL will expand the code of conduct to discipline managers, coaches, and players for any violations of our agreement as deemed necessary by the board of directors of Claremont Little League.

Attached is the role of the City of Claremont fulfilling the negotiated agreement between Claremont Little League and the College Park neighbors.
