

2019/20 Annual  
Claremont Little League College Park Good Neighbor Agreement

The annual "Good Neighbor" agreement between Claremont Little League (CLL) and the neighborhood of Green Street and Elder Drive is to insure a better relationship between Claremont Little League (CLL) and the Green Street and Elder Drive neighborhood. The City will facilitate an annual meeting, in the summer months, between Claremont Little League (CLL) and the College Park neighbors to address new concerns, discuss the neighbor agreement, and modify the agreement if needed. Both groups have met and negotiated this agreement.

Points negotiated for the Claremont Little League (CLL) and the Green Street and Elder Drive neighborhood are as follows:

Parking:

- CLL will notify and ask all overflow traffic to park in the Metrolink Parking Lot north of College Park and discourage parent and spectator parking on Green Street and Elder Drive.
- CLL will notify and instruct children, parents, managers, coaches, and board members that there is absolutely NO playing in the parking lots.

Sports Lights:

Lights are not permitted on dates other than those established in this agreement.

- Fall 2019
  - Monday, 10/28, 11/4 and 11/11
  - Tuesday, 10/29, 11/5 and 11/12
  - Wednesday, 10/30, 11/6 and 11/13
  - Thursday, 10/31, 11/7, and 11/14
  - Sunday, 10/27, 11/3, 11/10, 11/17
  - Lights may be turned on at dusk
  - Lights must be turned off at 8:00pm
  - Each field is equipped with one emergency light that will remain on 10 minutes after the lights go out.
- Spring 2020
  - In the first week of January, Lights are permitted for one night for tryouts and assessments.
  - Except for tryouts and assessments, lights are permitted no earlier than January 27 and no later than July 25 for the remainder of the season.
  - Light may be turned on at dusk
  - Lights must be turned off at 9:00 p.m.
  - Each field is equipped with one emergency light that will remain on 10 minutes after the lights go out.
  - Lights are permitted for playoff games between Monday, May 18 and Friday, May 29 until 9:30 p.m. Lights will only be extended if a winner cannot be determined prior to the intended 9:00 p.m. cut off. Lights must be turned off immediately following the conclusion of the game.

City of Claremont Role for 2019/2020  
Claremont Little League and College Park Good Neighbor Agreement

The City of Claremont will track the light usage using Musco Control Links and will report at the next annual meeting the number of days and hours the lights at College Park were used during the fall and spring season.

The Community Services Department will continue to maintain College Park landscaping and communicate landscaping changes to the neighbors.

Human Services staff will work with the Claremont Police Department to track data related to the number of tickets issued for parking violations on Green Street and Elder Drive during Claremont Little League season(s) and report that information at the annual Claremont Little League and College Park meeting.

City staff and Park Rangers will be available when needed to assist with traffic mitigation on Elder Drive and Green Street.

Increased parking notification will be used on assessment day, opening day, and for the first few weeks of games.

Claremont Rangers and Claremont Little League representatives will be placing reminder notices on vehicles who park along Elder Drive and Green Street, reminding them to park in the Metrolink parking lot.

Human Services staff will work the Engineering Department to coordinate the placement of a permanent sign near or on Elder Drive that will discourage CLL participants from parking on Elder Drive. A temporary sign will be placed on Elder Drive until a permanent sign can be installed.
