

Enfield Little League will be adding an 8U Travel Baseball Team for this summer. This is open to all 7-8-year olds (Age as of August 31st). Registration for those who make the team will be \$200.00 per player. Cost will include a uniform, fees (insurance, etc.) and up to 2 Tournaments. We will supply the team with additional swag with any funds that are not used. We will start practices after the regular Spring baseball season. The main goal of this team is to keep this age group active during the summer, continuing their skill set and continuing to play the game of baseball.

We encourage all eligible Enfield players to try out for this team, but please understand that players will be selected to join the team based on regular season play, coaches feedback, winter evaluations and the assessments at tryouts. This is a wonderful opportunity for players to continue their growth in a highly competitive environment. The goal for this team is to compete at the highest level possible.

We will have two dates for our tryouts. Players can come to either or both tryouts. Tryouts will be held on Monday June 4th 6pm-8pm and Tuesday June 5th 6pm-8pm @ Prudence Crandall. All interested players ages 7-8 are invited to attend.

We are currently planning on doing the following:

- 1 tournament (most are a few hours away, for this age group, so we will likely only do one)
- We are also working on other options for games/tournaments in the local area (w/ in 1-hour commute)

Please RSVP to one or both dates if you plan on trying out. Please submit the following.

- Player Name
- Age as of August 31, 2018
- Current team and division

There are other travel baseball teams in the area. Although, this will be the only one affiliated directly with Enfield Little League.

Any questions can be directed to me, Michael Monteforte. Please be patient with responses as this is a busy time of year.

Thank you,

Michael Monteforte "Monte"
