DISCLAIMERS

It is the responsibility of the league or group representatives, coaches, players, and spectators to acknowledge and understand the following rules and regulations regarding the use of any City of San José facility:

The Director of Parks, Recreation and Neighborhood Services or an authorized representative retains the right to set conditions and requirements suitable to safe, reasonable, and orderly use of the Park (San José Municipal Code, Section 13.44.020). The Director of Parks, Recreation and Neighborhood Services shall have the right to deny use of a field or revoke a permit with cause to any person or organization at any time, and/or impose a penalty on any person or organization not complying with this policy and its rules and regulations.

1. This permit authorizes the holder the use of the field(s) for the indicated times as shown for sports activities only. All participants must exit the field area at the conclusion of the scheduled rental time. Permit does not allow use of any vacant areas of the park that are not designated for organized sports play.

2. Permit holders agree to support and enforce the rules, regulations, and procedures set forth in this policy and those of the City of San José and other regulatory bodies as appropriate. Any misuse of the field, failure to conform to field regulations, or violations of any other Federal, State or Local Law, rule, regulation, or ordinance shall be sufficient reason for immediate termination of permit. No refund will be granted.

3. Permit holders must be in possession of a printed copy of their Facility Use Permit at all times. Possession of an authorized permit gives you the right to ask any unauthorized user to vacate the field or tennis court. If the conflict is not resolved contact Citywide Sports (after business hours) at 408-690-2171 or the City of San José Police Department Non-Emergency (311) or 408-277-8900.

4. Permit holders are responsible for informing their participants of all of the field rules and must ensure the enforcement of these rules. Permit holders are also responsible for the conduct of all participants, spectators and others connected with the activity, including visiting teams and spectators. Individual minors under the age of 18 or groups of minors must be properly supervised by adults when using park facilities. Groups composed of minors must be supervised by one (1) adult for each ten (10) minors up to the age of 6 and one (1) adult for each fifteen (15) minors between the ages of 7 ? 17 years throughout the period of use on City of San José facilities.

5. After business hours contact Citywide Sports at 408-690-2171.

6. If there is a non-emergency maintenance or field condition issue you may contact the Parks Concern line at 408-793-5510 or you may email them at park.concerns@sanjoseca.gov.

7. The Department of Parks, Recreation, and Neighborhood Services is not responsible for accident, injury, or loss of individual property. Refer to the Save Harmless and Indemnification Agreement on your application.

8. Permits/reservations are not transferable, and all users will ensure that no unauthorized third party is granted permission to use the field or any portion thereof without City of San José approval.

9. In the event that cancellation of a confirmed reservation is necessary, it is the applicant's

responsibility to provide immediate written notification of the intent to cancel. Cancellations will only be accepted from the original applicant.

10. Permit holders should call the Field Conditions Hotline, 408-794-6532 to confirm the status of the fields during inclement weather. The hotline will be updated as conditions change. Refer to Section 4.2 for Rain Days & Rain Out Policy. Knowledge of a group playing on and damaging turf will result in the immediate cancellation of that permit. No permit refund will be granted and field damage costs may be assessed to the applicant. Refunds will also not be issued for inclement weather. .

11. The City of San José reserves the right to revoke any permit(s) issued to the permit holder due to damage to the field caused by inappropriate behavior or activities by the individual or organization. If after an activity, additional maintenance is required the applicant will be charged accordingly.

12. City of San José staff shall have the right to enter all fields at any time for observation of activities.

13. There will be no construction, modification, or physical changes to any field or facility unless specific written permission is received from the City of San José. Marking lines for a game or event is the responsibility of the user unless a request is made to Citywide Sports for field prep service. Water soluble spray paint is the only permitted means of lining a field. No fields are permitted to be lined by means of Round Up, Dolomite or other herbicide, which can permanently burn lines into the field.

14. The City of San José encourages partnership and volunteerism to improve field quality and maintenance; however, in the absence of a written agreement, donations and /or contributions of time do not give any organizations priority at any facility. Groups wishing to make alterations to facilities must submit these improvement requests in advance to the City of San José in writing to the Director of PRNS. No groups will be allowed to make any alteration to any facility without first obtaining the City of San José's approval any and all alteration will be considered the property of the City of San José.

15. Equipment may be stored at certain fields during reserved periods with prior written approval from the Facility Reservation Unit. Equipment must be anchored at all times when they are located on the playing fields. When equipment is not being utilized for play, they must be secured off the playing fields in a pre-designated area and in a manner which will prevent tipping or create any hazardous condition that could cause injury to any person. The City of San José is not liable for accidents, injuries or loss of or damage to individuals or property. Should any equipment left on site be found not secured, in a non-designated area and/or not locked up properly, the permitted group will be subject to a suspension and/or revocation of the permit.
