Mon County Girls Softball Association
PO Box 258
Granville, WV 26534

The Mon County Girls Softball Association would like to take this opportunity to thank you for sponsoring one of our Youth Softball teams for 2024.

As a Mon County Girls Softball Association sponsor you will receive several benefits for your donation. Approximately 320 girls participated last year in our youth league. It would not be possible for us to provide these young ladies with fields and equipment without the generous contributions from you - our sponsors. Thank You!

- We will include your logo on each uniform for a team that you sponsor. Logos are generally **one** color. Additional colors may be available at an additional donation cost at the discretion of the association and printer.
- One advertisement banner with your logo will be printed and hung on the outfield fences.
- You will be a member of a community that helped to provide a safe and fun atmosphere for area girls.

The cost of team sponsorship is \$500. This amount covers the cost of providing one team with uniforms and the printing of the banner. Please complete the following information and include your donation. You may contact the association president, Chris Griffin, at president@moncountygirlssoftball.org for more information.
