

## **Corporate Donations Nike 7 Turfing Project**

Great Falls Soccer Club (GFSC) is looking to partner with families and local businesses to help support youth sports and development within our local growing community. GFSC is pleased to announce a major milestone in our club's history. In partnership with Fairfax County Park Authority, GFSC has built a beautiful new turf field at the Nike 7 Field location. A turfed and lighted Nike 7 will allow for year-round practices and games with fewer cancellations. GFSC has grown by almost 300 players (1200 overall) over the last two years, and we expect our growth to continue. This lighted turf field will help to alleviate our growing pains.

GFSC is looking for corporate sponsors to partner with to help raise money for this community driven project. Our overall goal for the club is to raise \$175,000 to help subsidize the construction costs. We have several sponsorship levels available and are looking to work with our local businesses who are interested in giving back to the youth in our local community.
