

### *About Great Falls Soccer Club*

Great Falls Soccer Club is located in Great Falls, VA and offers programs that aim to provide a wholesome, well organized environment in which we teach soccer skills, sportsmanship and teamwork to children ages 4 through 19. We offer league play in the fall and spring seasons and an opportunity to play soccer 11-12 months out of the year.

### *Nike 7 Turf project*

The Board of Directors is pleased to report that we have received from the Fairfax County Park Authority all the necessary commitments to form a partnership to build a lighted turf field at the Nike 7 location! Construction is slated to begin in mid-June 2017 and is anticipated to be completed by September 1st.

This marks a major milestone in GFSC's history. Turfing Nike 7 will allow our Club to hold year-round practices and games, to have fewer cancellations and to play even when daylight savings works against us. The additional time provided by a local, lighted turf field will help alleviate some of our growing pains.
