RECREATION SOCCER

The recreation program is open to ALL players in the local and surrounding communities.

RECREATIONAL PROGRAM

The Council Bluffs Soccer Club Recreational (Rec) Program provides opportunities for young players in our community to develop healthy life skills and team skills through active participation in the beautiful game of soccer. Our core values are teamwork, fairness, and communication, while nurturing a positive environment to strive for excellence. CBSC offers a full soccer season in both fall and spring, providing a fun and safe environment for children ages 7-19. The focus is participation, team building, sportsmanship, and fun while players learn the game of soccer in a minimally competitive environment.

CBSC Recreation League Guidelines

Recreational League Guidelines

General

- The **rules** of play shall be the Laws of the Games as published by FIFA, except as modified for small-sided games. Field sizes are based on modifications for small-sided games

Game Requirements; *For the Players*

- Tennis shoes or soccer shoes are required.
- As much as possible, members of the team should wear the same color jerseys or T-shirts with a different number for each player. The goalkeeper should have a different color shirt than those of his/her teammates and the opposing team. The Home Team is responsible for changing shirts or wearing pennies if the referee deems necessary.
- **Shin guards are mandatory.** Socks must completely cover shin guards. It is best to put shin guards on first, then socks.
- Dangerous Equipment. A player must not use equipment or wear anything dangerous to him/herself or another player. The referee has the final determination if the equipment is safe on the field of play.

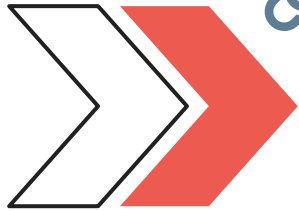

Coach Needs

- Official current roster. Players are not allowed to play if they are not listed on the roster. If player cards are used, the card must be complete with a picture and laminated. All coaches must be listed on the roster in order to be on the player side of the field during a game. No exceptions.
