

Join our Steele Creek Baseball Select Program! *Experience* *Growth, Teamwork, Competition, and Fun*

About our Program

SCAA designed the Select Baseball program to reinforce the goals and standards of our Little League program, emphasizing player development, sportsmanship, and competition to prepare players for middle school baseball and beyond. The 2025 Fall season will include the following age groups (based on interest): **13U, 14U, 15U, 16U**. It is structured to allow players to participate in other sports programs (e.g., football) and the SCAA Little League season. SCAA Select participation includes a commitment to register and actively participate in SCAA's Little League program (Junior or Seniors) *, which is a critical component of the overall program (*note - the cost is built into the program*).

Why Join Us?

- **Player Development:** Focus on skill improvement, character building, and fostering a love for the game, including an external training program with professional trainers.
- **Qualified Coaching:** Experienced and dedicated coaches focused on realizing each player's potential.
- **Balanced Competition:** Carefully selected tournaments to ensure a supportive, competitive, and challenging environment that promotes growth.

What We Offer

- **Regular Practice on Real Fields:** Enhance hitting, pitching, fielding and base running skills on a full-size baseball field and other facilities right in your own community!
- **Tournament Experience:** We will play in at least four (4) tournaments during the fall season.
- **Competitive Rates compared to "Travel":** SCAA uses our own fields and facilities to offer a premier experience at a fraction of the cost of a traditional travel program.

- **Rates:** The estimated rate for the 2025 Select team is ~\$900, which includes quality uniforms (primary and alternate), opportunity to play four (4) tournaments, weekly practice, an external training program with professional trainers, and fall Little League program. Additional costs are dependent on selected tournaments.
 - Rates will be finalized prior to team selection and acceptance and include payment plan. There may be an opportunity for an additional end of season tournament, which will be discussed as a team.
- **Schedule:** Tryouts begin late June and run through mid-July: June 21, 2025 (9:00 a.m. -11:00 a.m.); June 22, 2025 (1:00-3:00 p.m.); and mid-July (dates/times TBD). Training starts in late July/early August. Weekend tournaments will be selected and played August/September-November 2025.
