

# SPONSORSHIP

With your generous support, the Hartford Youth Commission is able to continue to provide sports opportunities, including soccer, basketball, tee ball, baseball and softball to our community youth in grades Pre-K thru 6th grade.

Our Board strives to improve all fields and equipment while keeping participation fees to a minimum.

We appreciate your consideration of support to help our Hartford youth learn about sports and teamwork, and most of all have fun! Thank you in advance for helping us continue to make our dream for the youth of our community come true!
