

Letter for Bearcat Family

Dear Capital City Bearcat Family,

Since 2006, the Capital City Bearcats have been providing families with a quality, fun and safe place to play. For nearly 13 years, we have strived to make a significant impact in the lives of young boys and girls, and have worked together with our coaches and volunteers to build character, create leaders and develop champions.

As the Summer of 2019 approaches, we are taking a step back to evaluate how the organization will continue to provide youth sports programming in the future. It is important to our Founders and Executive Board that we not just provide youth sports, but we do so with excellence. While we will miss you this season, we have decided not to offer Fall football and cheer for 2019. During this time, we will spend time restructuring the organization and defining a path for the future. We will resume our youth sports programming January 2020 and encourage you to check our website and social media for updates.

All of our current and past athletes hold a special place in our hearts! We have watched them grow, get stronger, smarter and become amazing athletes on and off the field. We want you to keep up the good work and encourage you to find a place to play or cheer this 2019 season. Please contact us at CCBearcatsports@gmail.com for recommendations on organizations to participate with.

It is important that you know Capital City Bearcats is not going anywhere or shutting down. We are committed to excellence and need to step back and redefine how we achieve that excellence for each of you and many more Bearcats to come. Thank you for your understanding and support. If you have any questions, please contact us at CCBearcatsports@gmail.com. We are happy to answer any questions you have.

Sincerely,

Capital City Bearcats Executive Board
