Dear Parents,

Our goal is to get all the teams pictures taken in one day this year. To do this we are going to have keep everything organized and on schedule.

A few reminders about pictures:

Due to Covid we want to make the process as safe as possible with as little contact as possible. Please follow guidelines below.

- Please have order forms filled out and ready when you arrive for pictures
 - The pictures were mailed to parents directly this year for Baseball and Softball and it worked out well. We will be doing that again for soccer. Please make sure you add the \$5 shipping charge to your order/payment. Make sure all the information (your address etc) on where you want your order mailed to is filled out on the order form.
- Please have payment ready with order forms. Mark Flesher Photography accepts: Cash Check or Venmo. QR Code for Venmo is below.
 - When paying through Venmo please put the following information in:
 - Your Name, Your Childs Name, Coaches Name
 - If you pay through Venmo you still need to turn in an order form.
- Each team has a specific table to drop off order forms and payment at. There will be a sign designating the table (table 1, table 2 or table 3) just go to the correct table and give the person there your order form and payment. Your coach should be able to tell you what table to go to.
