Merry Christmas and Happy New Year Everyone,

I truly hope this Holy Season has been good to you and yours and that the promise of a New Year is filled with blessings for all. Welcome to our St. Ignatius 2017-2018 Basketball tournament. It begins during a special time, with special meaning to all present, the Feast of the Holy Family. As we tip off this classic here at St. I's let us not just remember the Classic family of Mary, Joseph and Jesus but let us do everything to live according to their example.

May our teams that face each other on the basketball court remember that we are all of the same family called by Christ to love one another and to work for the common good. May competition not over-shadow our bonds we share but rather enhance our family unity. May parents rejoice in their children's and all the children's triumphs and praise all in their efforts that may not have resulted in a "W". Let us continue to teach our children to play with each other with respect and to grow and nurture healthy friendships that reach beyond our home parishes.

Once again welcome and enjoy your child's opportunity to have fun this Holy Season and have fun yourself. So, during this Feast of the Holy family let us always remember all are called to follow Mary, Joseph and Jesus' example and all are called to give the peaceful example of New Year's hope to the kids on the court.

God Bless

Pastor, St. Ignatius of Loyola
