

What your donation does for the kids...

Warren Hills Youth Baseball would like to thank you for your consideration in supporting the kids in our community for our 2016 season. Our entire organization is comprised solely of dedicated and caring volunteers. This means 100% of your donation goes directly to the program and the kids playing in it.

Your donation allows us to purchase new playing equipment, improve fields, replace broken rakes, upgrade bases, replace broken lining machines and buy fresh clay for the infields. It also improves safety by repairing worn fences and back stops, and replacing missing fence caps. Additionally, your support lets us offer more programs including clinics, tournaments, and travel baseball, all geared toward growing the kids' love of the game while preparing them for the next level.

In 2015, we created a community-wide event called 'Slug Fest'. You can think of it like a Home Run Derby. It was such a success that we are growing the event and invite you to join us at our Second Annual Slug Fest. Ask me how!

And finally, our league was gifted lights so we can create a lighted field. This lets us practice Travel Teams, have practices and games in our Fall Ball season and feature Night Games throughout the season. But there is still a lot of work to do. Interested in being a Title Field sponsor, a multi-year investment in our community?

Thank you for your time and consideration to support the kids in your community!
