III. CSSC WEB SITE

CSSC operates a web site at <http://www.cosasl.com>. The web site provides information on schedules, scores, standings, teams, rules and it is updated as required. Additional information and correspondence from the league will be disseminated via emails and text messages according to league needs. Social Media is not deemed as official correspondence but shall function as outreach, community building, and additional communication.

IV. PARTICIPATION

A) All players and coaches joining CSSC must follow any additional guidelines found within these Rules and Procedures.

B) Membership in the CSSC implies a waiver of all legal recourse against the CSSC Executive Board, Board of Directors, and all designated officials for bodily injuries sustained on the playing field, travel to and from the playing field, or while attending all authorized league activities to include but not limited to sanctioned games, above the provisions of any insurance provided by the CSSC. The membership shall hold harmless and indemnify the League from and against any and all loss, damages, liabilities, claims, and costs of whatsoever to include and not limited to, death of any person, injury, loss or damage to any property occurring in connection with or in any way incident to participation in activities within the League, its Board of Directors or Officials performance.

C) Individual medical insurance is not available through the CSSC.

D) Anyone may enter a team in the League on approval of the CSSC. Exceptions may be invoked by the Board, or its designated agent(s).

E) Inclusion Policy – CSSC welcomes all players and no player shall be discriminated against solely upon the grounds of race, ethnicity, creed, religion, sexual preference or identity. The Executive Board reserves the right to approve or decline player acceptance based upon safety concerns, prior disciplinary problems, and any other reason that receives a 2/3 vote by the board of directors.

F) PRE-SEASON MEETING: CSSC will host a pre-season meeting roughly 1-2 months prior to an upcoming season. This meeting is mandatory for all managers. If the manager cannot attend, they may send a representative to this meeting. Teams that do not send a representative to the meeting are subject to the Board's acceptance for submitting a team the following season.

G) REGISTRATION: All teams and players must register with Colorado Adult Soccer Association (CASA) at <https://socccerca.com>. There are separate fees for CASA registration. Teams are also required to register with CSSC through our website.

1. A player must complete all necessary procedures at least one (1) day before his/her first game. In the event of technical challenges, a digital image showing proper registration may be used within the first week of the season or within the one-day requirement of registration for the team if a new player. (Date of registration can be seen on the CASA pass card in the upper left corner) No player shall be eligible to play without showing proper registration.

2. A member team shall have at least eleven (11), and not more than twenty-five (25) properly registered players.

3. No new registered players will be permitted to a team with two (2) or less games remaining on its regular season schedule.

H) TRANSFERS: Transfer to another team is made through the CASA web site with the following limitations:

1. Players shall have consent from the incoming manager before transferring and shall communicate intent to transfer to the outgoing team manager. In the event managers do not process the transfer in a timely manner, the league administration can process the transfer.

2. Only one (1) transfer per seasonal year will be permitted except upon proof of special individual hardship. Request for a hardship transfer must be done to the Board in writing and will be reviewed by the Executive Leadership for approval.

3. No transfers will be permitted to a team with two (2) or less games remaining on its regular season schedule.

I) AGE LIMIT:

1. No player under the age of 18 shall be allowed to participate in CSSC games.

2. If a division has an age specification (e.g., Over 35)

- a) no player more than 5 years younger than the specified age may play in that division. Age shall be determined upon the date of registration within CASA.

- b) a team may not have more than 2 players aged 1-5 years younger than the specified age active on the roster.

J) ROSTER: All teams are required to provide two team rosters at the beginning of each game, one for the referee and the other for the opposing team. If your player did not upload a picture during registration, coaches will be allowed to upload the picture. To upload, log into the CASA system and click on the player. Click on "upload a new picture for this player". You must have the picture on your cell phone or computer before starting this process. No player may play without having an accurate picture on their player profile in CASA. In the event of technical difficulties, please email the league commissioner however CSSC does not manage the CASA website and it is the responsibility of players and managers to meet the registration requirement. New players (within 24 hours) that do not upload a picture may use their temporary pass (Emailed by CASA) and a Government ID until that Sunday at midnight. After that time, they are suspended until a picture is uploaded.

In addition to being listed on the team roster as a coach, any coaches who are playing must also be listed in the players section of that roster.

K) CLUBS: A club must have the same name as the other members of the club, for example Hustlers FC (M-1), Hustlers United (M-2), and Hustlers Sporting (O-35).

1. Club teams may bring players from their other teams to play. The following restrictions apply:

- a) No players may play down more than one division.
- b) No players may play down to an age limited division when the age requirements are not met. This includes the maximum number of players on the roster defined in the Age Limit Rule.
- c) Players may not play within the same division as a team for which they are registered for already.
- d) Players may not play up or down during the playoffs.
- e) Players playing up or down may only play in one game a weekend.

If a club brings a player in, they must provide the center official and the opposing manager rosters of all players playing. For example, if a player is on a men's over 35 team and wants to play in a men's D1 game of the same club, they must show the over 35 roster. The game limit per weekend will apply so that player will not be able to play another game regardless of division – violating this rule may result in an ineligible player and forfeit.

L) Women playing more than one game per week: Women players already registered on a women's division team may play a second game in the week with the following provisions:

1. The player has registered for a second team and paid for a second player card on the Men's Team roster.
2. The player meets all the age requirements as defined in the roster rules. Maximum number of underage players, if in an age restrictive division, on the roster shall still apply.
3. The Men's Team Roster shall not have more than two (2) female players registered on both a men's and women's team.

V. FEES

A) The fee for a season will be established by the Executive Board. The Board may include a discount for teams participating in the manager's meeting at the Board's option. Managers, or those whom send a designated representative, will receive the credit determined by the Board towards their team registration fee. One representative is required per team, not club, and will be responsible for disseminating pertinent information to the team players.

B) A team that has not paid all fees and fines from a prior season by the deadline set forth by the Board shall not be allowed to register.

C) Fall and Spring Payment Schedule

1. A non-refundable \$200 deposit is due on or before the schedule date announced at the pre-season meeting.

2. The balance of the fee is due by 5:00pm on the date set forth by the Board and disseminated to the managers. The Board will set payment deadlines in accordance with field, referee, and scheduling requirements. Any team that has not paid the team fees by the deadline will be removed from the schedule and the schedule adjusted. Managers, not players, are responsible for all team fees and fines. The Board will not be responsible for contacting players individually or directly. In the event of special circumstances, the Board may grant special consideration for fees. All special considerations are subject to penalties and will be expected to be paid, to include said penalties, according to the requirements set forth by the Board.

3. Penalties

a) a late fee of \$100 will be assessed if a team does not pay its registration by the due date. This will be included for special circumstances and extensions.

b) a team may be removed from the schedule if it does not pay the due balance of its registration by the due date.

D) REFUNDS - Once entered on the schedule, no team shall receive a refund for any reason.

Refunds to players during the season are the responsibility of the team managers.

VI. SCHEDULE

A) The League reserves the right to adjust divisions for the good of the competition and league.

B) The League will make its best effort to honor a request for a bye week

C) The League will, if possible, honor requests for specific times and locations

The League shall create the schedule according to the best interest of all teams and within the logistical constraints of running the league. Teams are not to contact the scheduler directly and shall send all requests to the Board for consideration as multiple variables must be considered.

E) The league will not make any changes to the schedule subsequent to one week after the schedule is published unless special circumstances arise and the league will coordinate in advance all changes.

VII. MAKEUP GAMES, CANCELLATIONS, RESCHEDULING, FORFEITS, AND PENALTIES

A match is considered official once the 1st half has been completed.

A) If play must be halted after the start of play, but before the half is complete, the CSSC scheduler will make every attempt to reschedule the shortened game. However, if field, weather or other situations preclude timely rescheduling, the game may not be replayed. If this occurs, the score standing will be used as the final score of the game.

B) Cancellation due to weather related and/or unplayable conditions

1. The President or his designee(s) are responsible for checking field and weather conditions each morning before scheduled games to determine whether the conditions permit the game(s) to be played. Any cancellations by the club will be posted on the club website and/or communicated to team managers at least 2 hours before game time when possible.

2. At game time the referee shall have the discretion to delay the start or postpone the game due to weather or field conditions.

C) A game in progress may be temporarily suspended or abandoned by the referee for reasons of unsafe weather or field conditions. A game that is abandoned during or after half-time will be considered complete and official.

D) Rescheduling

1. The League will reschedule cancelled games as soon as possible given logistical constraints. The League will make all attempts to accommodate the teams impacted by the reschedule but reserves the right to reschedule based upon League operational needs.

2. Due to all costs involved, the league will only entertain requests to reschedule on a case-by-case basis and is at the sole discretion of the league.

E) Forfeits

1. Failure to have a minimum number of players show-up per official rules or rules set forth as exceptions herein will result in a forfeit for that team. Referees will allow a ten-minute grace period from posted start time

to field a team. Forfeits are highly discouraged and every effort should be made to play the game.

2. In the event that neither team shows up for a scheduled game and the referee rules the grounds playable, then both teams shall forfeit and be assessed a loss.

The referee's judgment with regard to the physical condition of the field and severity of weather shall not be challenged.

3. A team using an illegal player, to include suspended and ineligible players, shall be assessed a forfeit for that game. This shall be determined by the Board and is non-contestable.

4. The score of a forfeited game shall be recorded as 3-0.

Any team that fails to provide at least 24-hour notice of a forfeit will incur a \$100 fine to be paid at least 24 hours before the next scheduled game.

F) Penalties

1. A team that fails to present two copies of the roster for a game will forfeit according to the rules herein less the \$100 fine. The Board reserves the right to permit play without two printed rosters under extenuating circumstances but must be granted prior to game time. Managers may petition a forfeited game to be voted upon by the board in writing within 24 hours, otherwise the forfeit shall stand.

VIII. POST SEASON

A) There will be a 2-team playoff at the end of the regular season in all divisions that have 3, 4, or 5 teams. There will be a 4-team playoff at the end of the regular season in all divisions that have 6 or more teams. The Board shall reserve the right to amend or adjust playoff structure to best meet the needs of the League and each division.

1. In a 4-team playoff, the 1st place team will play the 4th place team and the 2nd place team will play the 3rd place team. The winner of these games will play in the division championship game.

2. In a 2-team playoff, the 1st place team will play the 2nd place team in the division championship game.

B) In case of point ties, the tie will be broken in this order:

C) A team that has not paid any outstanding fees (including late fees) shall not be eligible for playoffs

D) Should a qualifying team be unable to compete in the playoffs at the scheduled time, that team shall be replaced as follows:

1. in the semi-finals of a 4-team playoff, the fifth-place team will replace the team that is unable to compete and the semi-finals will be reseeded.
2. in the finals of a 4-team playoff, the team that is unable to compete shall be replaced by the team that lost to them in the semi-finals.

3. in a 2-team playoff, the 3rd place team shall replace the team that is unable to compete.

E) All league rules will remain the same with the exception of games ending in a tie. At this point the teams will play 2 x 10 min overtime with NO golden goal. If still tied, the deadlock will be resolved by penalty kicks following official rules.

IX. FIELDS

A) There is no beer, smoking, or any illegal substances allowed on the property. Managers are to monitor players and fans for this concern.

B) There are NO DOGS allowed at any field, due to contracts with the individual fields. The club will require all Managers to stop any game (suspend play) where there is an illegal dog present, until the dog is removed. Even if a bystander stops to observe the game, the managers will also ask the bystander to leave with the dog, due to the conditions of the contract. In the event the bystander does not comply, managers will provide a report to the Board so it is aware should the field manager question the league.
