The combined rules apply to all games held on HFLL fields. The HFLL Board of Directors reserves the right to grant exceptions to the rules where it is deemed to be in the best interest of the league.
- 4.2 The only divisions that may have an “On Deck” batter are the Juniors and Seniors divisions. No swinging bats outside dugouts. All players must remain in the dugouts when not batting or on the playing field.
- 4.3 No hitting sticks or any other hitting tools will be allowed during the game by the coaching staff or players.

- 4.5 With 2 outs, the catcher, continuing from the previous half inning, can be replaced on the bases with a player that is not in the game or the player who made the last batted out. This is to allow the catcher to put his equipment back on and speed up the game.
- 4.6 There will be three outfielders in the Majors and Juniors divisions and four outfielders in the Minors and Coach Pitch divisions. Minors and Coach Pitch teams may play three outfielders if only 9 players are present.
- 4.7 Teams shall not steal third or home (except for a passed ball or wild pitch) when ahead by ten or more runs. - Coaches can keep track of a pitcher's pitch count, but it is for their own information and is not the official pitch count. **Visiting team provides the Official Pitch Counter.** The pitch count book is to be signed by both managers immediately following the game. If a manager does not sign the book, any pitchers for their team from that game will be required to have 4 days of rest. If a pitcher is used before he/she is eligible, the game may be protested as outlined in the Little League 2021 Official Regulations and Playing Rules.
- 4.11 Sliding – All players must slide at second, third, and home base where there is a play being made. This is to promote safe play. Failure to slide may cause a runner to be called out at the Umpire's discretion. Little League rules prohibit any collisions between runners and basemen. If no ball is present and a collision occurs, the runner is automatically awarded the next base. If the ball is present, the runner is out. Head first slides are not allowed except in the Juniors divisions.
- 4.12 Batting Helmets – Face masks (cages) must be worn by every batter in the Tee-Ball division and the player pitcher in the Coach Pitch divisions. All other divisions are not required to use the face masks and this will be a decision of the parents and coach.
