A Message from the DASC President

On behalf of the Dillsburg Area Soccer Club, it is my pleasure to welcome you to the 31st annual Dillsburg Dual Shootout Tournament. This year, we welcome 298 teams to the DDSO and the Dillsburg community. We use 11 different local community sites with 38 fields, host over 4470 youth soccer players, 6000 coaches and parents, and use 190 referees to officiate 1002 soccer matches. As always, I start this letter by thanking our families, coaches, volunteers, and officials for your efforts in making this tournament happen year after year. This event could not happen without your time and effort, and for that we sincerely thank you.

Each year, the approach of our annual tournament brings a palpable excitement to our soccer community. We watch our teams practice (sometimes for the first time) to face the vaunted shootout. We hear from parents, coaches, and other members of our community, who remember their own experience playing in the DDSO and now prepare to watch the next generation carry the tradition forward. We see the community come alive the weekend of the tournament with families and players excited to share the game they love. All share the same sentiment: the unique, fast-paced, exciting action of the DDSO creates a special experience for the players and all who participate, and it is

worth returning to year after year. We thank each of you for being a part of this once again.

As always, we give special thanks to the sponsors who offer their generous support to make this weekend happen. A very special thanks is given to our signature sponsors, Utz and Bimbo Foods, who continue to sponsor the DDSO, and our community, year after year. Please take some time to explore this program and support the local businesses and organizations who make this possible.

We also recognize the tireless efforts of Tournament Director Mike Flowers, who continues to make the impossible happen year after year to make this tournament the success that it is.

Thank you for coming, welcome to our community, and please enjoy this great weekend of soccer action!

Yours in Service,

David Mueller

President Dillsburg Area Soccer Club

The field marshal will give the referee the game report information. The referee will record all game related information such as goals scored, cautions, and dismissals. At the conclusion of each match, the field marshal will collect the game report after the referee and both coaches have signed it. The field marshal will verify the information on the game report and then relay the match results to the site coordinator. If there is a question on the score of a match, the coach and coach only, can contact the site coordinator. The site coordinator will take whatever action may be necessary to verify the score.

12) DRAWN MATCHES

A. There will be no overtime periods for drawn matches (matches with tie scores at the end of regulation play) in any of the three qualification games or any of the championship rounds.

- B. Drawn matches in the qualification round, (20 minute games) will not have a shootout. They will end as a tie.
- C. Drawn matches in the championship round, (40-minute games); the winner will be determined by the Dillsburg Dual Shootout.

13) TIEBREAKER PROCEDURE/THE DILLSBURG DUAL SHOOTOUT

Championship round games which are tied at the end of regulation play will go directly into a SHOOTOUT, involving players on each team challenging the opposing goalkeeper in a one-on-one situation.

Each team will then have five chances in alternate order, with the home team kicking first. The shooters will start with the ball 35 yards (U13 and older) or 30 yards (U11 & U12) or 25 yards (U9 & U10), from the goal and will have, at the one referee's whistle, five seconds in which to get the shot off. The ball does not have to cross the goal line within those five seconds. The goalkeepers have no movement restrictions within the five-second period in accordance with normal rules of play. However, the goalkeeper must start each shootout attempt on his goal line.

The kicks shall end when one team has achieved an insurmountable advantage, such as scoring on its first three kicks while their opponents miss their first three. If the teams remained tied after the prescribed five attempts, they shall continue to take alternate single kicks until one team has scored more than the other team after an equal number of attempts. The remaining players on the field must be used as kickers until all players have taken a shot. After all players on the field have taken a shot the rotation starts over with the players on the field. Only players in the game at the end of the match shall be eligible to take such kicks. Any of those players may be the goalkeeper. Goalkeepers must take their turn to kick. No player shall take a second kick until 11 kicks (for 11v11 age groups) or 9 kicks (for 9v9 age groups) or 7 kicks (for 7v7 age groups) have been taken. The shooter is not allowed to play rebounds off the goalkeeper, crossbar, or goalpost, i.e., the shooter receives only one shot within the five seconds. If the goalkeeper handles the ball outside the penalty box, or fouls the shooter, a penalty kick will be awarded. Coaches may be on the field but may not coach their players or shout instructions when they are taking the shot.

14) QUALIFICATION ROUND OF PLAY / SEEDING FOR THE CHAMPIONSHIP ROUND

All teams participating in the qualification round of play will be guaranteed a minimum of three (3) mini-games. At the end of each game the winning and losing teams will be awarded game points based on the following criteria:

- Regulation win = 3 game points
- Drawn Match (both teams scoring i.e. 1-1) = 2 game points
- Drawn Match (neither team scoring i.e. 0-0) = 1 game point
- Regulation loss = 0 game points

At the conclusion of all qualification matches in an age group the game points will be totaled. The team with the highest game points will be seeded in the highest position. The team with the next highest game points will be seeded in the next position. This will continue until all teams have been seeded. Should two teams have the same number of game points; tiebreakers as specified in rule #15 will take effect.

15) TIEBREAKERS FOR SEEDING

The tiebreakers used in determining the seeding into the championship round will be as follows:

- A. Bonus points will be added or subtracted based on a +(-) goal differential. The differential will be the difference between the goals scored and goals allowed by each team in regulation play with the maximum differential points allowed for a single match being +(-) 4. The +(-) difference will be summed. The team with the highest number of differential points will be seeded in the higher position.
- B. If two or more teams have the same number of differential points, the team that has allowed the fewest goals in the qualification round of play will be seeded in the higher position.
- C. If after (B) above two or more teams have the same number of goals allowed, then the team that has scored the highest number of goals in the qualification round shall be seeded the higher position.
- D. If after (C) above, two or more teams have the same number of goals scored, the higher seed shall be determined by the winner of a coin toss.

16) CHAMPIONSHIP ROUND OF PLAY

After all the teams in each age group have been ranked according to the seeding procedure, the teams will be divided into eight or six team divisions. The teams will start the series of elimination championship games on Saturday afternoon. The winning teams will advance into the winners' bracket and the losing teams will move into the losers' bracket. In Sunday's Championship Round's elimination format; one team will advance from the losers' bracket to challenge the team from the winners' bracket for the division championship.
