A Message from the DASC President

Dear Dillsburg Dual Shootout Participants,
On behalf of the Dillsburg Area Soccer Club, it is my pleasure to welcome you to the 32nd Annual Dillsburg Dual Shootout Soccer Tournament. We are thrilled to have you join us for another exciting weekend of competition, teamwork, and sportsmanship here in South Central Pennsylvania. This tournament has grown immensely over the years, and we are proud to host more than 4864 youth athletes from across the region, representing 300 teams. We thank the 10 different local community sites with 38 fields and the 190 referees which officiate 1026 soccer matches.

This tournament is built on a tradition of friendly and competitive soccer, where every team, from U9 to U15, has the chance to experience our unique format. We know how hard you have all worked to prepare for this weekend, and we can't wait to see the incredible talent and dedication on display. Whether your team is competing for the championship or building valuable experience, we hope you enjoy every match and take pride in your achievements.

A special thank you goes out to our sponsors who make this event possible. We are grateful for the continued support of our key partners, including Explore York, Utz, Local's Market and

Bimbo and many others. Their generosity allows us to provide an exceptional experience for our players, families, and fans.

To all coaches, referees, volunteers, and supporters, your contributions are the backbone of this event. Without your dedication and countless hours of work, this tournament wouldn't be possible. Special thanks once again to Tournament Director Mike, whose experience and dedication make this event possible year after year. We truly appreciate all that you do.

We hope you have a fantastic time this weekend, filled with great competition, sportsmanship, and unforgettable memories. Good luck to all teams, and we look forward to crowning our champions on Sunday!

President, Dillsburg Area Soccer Club
Yours in Service,

David Mueller

- C. Drawn matches in the championship round, (40-minute games); the winner will be determined by the Dillsburg Dual Shootout.

13) TIEBREAKER PROCEDURE/THE DILLSBURG DUAL SHOOTOUT

Championship round games which are tied at the end of regulation play will go directly into a SHOOTOUT, involving players on each team challenging the opposing goalkeeper in a one-on-one situation.

Each team will then have five chances in alternate order, with the home team kicking first. The shooters will start with the ball 35 yards (U13 and older) or 30 yards (U11 & U12) or 25 yards (U9 & U10), from the goal and will have, at the one referee's whistle, five seconds in which to get the shot off. The ball does not have to cross the goal line within those five seconds. The goalkeepers have no movement restrictions within the five-second period in accordance with normal rules of play. However, the goalkeeper must start each shootout attempt on his goal line.

The kicks shall end when one team has achieved an insurmountable advantage, such as scoring on its first three kicks while their opponents miss their first three. If the teams remained tied after the prescribed five attempts, they shall continue to take alternate single kicks until one team has scored more than the other team after an equal number of attempts. The remaining players on the field must be used as kickers until all players have taken a shot. After all players on the field have taken a shot the rotation starts over with the players on the field. Only players in the game at the end of the match shall be eligible to take such kicks. Any of those players may be the goalkeeper. Goalkeepers must take their turn to kick. No player shall take a second kick until 11 kicks (for 11v11 age groups) or 9 kicks (for 9v9 age groups) or 7 kicks (for 7v7 age groups) have been taken. The shooter is not allowed to play rebounds off the goalkeeper, crossbar, or goalpost, i.e., the shooter receives only one shot within the five seconds. If the goalkeeper handles the ball outside the penalty box, or fouls the shooter, a penalty kick will be awarded. Coaches may be on the field but may not coach their players or shout instructions when they are taking the shot.

14) QUALIFICATION ROUND OF PLAY / SEEDING FOR THE CHAMPIONSHIP ROUND

All teams participating in the qualification round of play will be guaranteed a minimum of three (3) mini-games. At the end of each game the winning and losing teams will be awarded game points based on the following criteria:

- Regulation win = 3 game points
- Drawn Match (both teams scoring i.e. 1-1) = 2 game points
- Drawn Match (neither team scoring i.e. 0-0) = 1 game point
- Regulation loss = 0 game points

At the conclusion of all qualification matches in an age group the game points will be totaled. The team with the highest game points will be seeded in the highest position. The team with the next highest game points will be seeded in the next position. This will continue until all teams have been seeded. Should two teams have the same number of game points; tiebreakers as specified in rule #15 will take effect.

15) TIEBREAKERS FOR SEEDING

The tiebreakers used in determining the seeding into the championship round will be as follows:

- A. Bonus points will be added or subtracted based on a +(-) goal differential. The differential will be the difference between the goals scored and goals allowed by each team in regulation play with the maximum differential points allowed for a single match being +(-) 4. The +(-) difference will be summed. The team with the highest number of differential points will be seeded in the higher position.
- B. If two or more teams have the same number of differential points, the team that has allowed the fewest goals in the qualification round of play will be seeded in the higher position.
- C. If after (B) above two or more teams have the same number of goals allowed, then the team that has scored the highest number of goals in the qualification round shall be seeded the higher position.
- D. If after (C) above, two or more teams have the same number of goals scored, the higher seed shall be determined by the winner of a coin toss.

16) CHAMPIONSHIP ROUND OF PLAY

After all the teams in each age group have been ranked according to the seeding procedure, the teams will be divided into eight or six team divisions. The teams will start the series of elimination championship games on Saturday afternoon. The winning teams will advance into the winners' bracket and the losing teams will move into the losers' bracket. In Sunday's Championship Round's elimination format; one team will advance from the losers' bracket to challenge the team from the winners' bracket for the division championship.
