A Message from the DASC President

Dear Dillsburg Dual Shootout Participants,

Welcome to the 33rd Annual Dillsburg Dual Shootout!

As the new president of the [DASC \(Dillsburg Area Soccer Club\)](#), I am honored to welcome you to our annual tournament. For over three decades, this event has brought together thousands of players from across the region for a weekend of spirited competition and sportsmanship.

[DASC's](#) vision is to build a vibrant soccer community where athletes reach their full potential. This tournament's unique format fosters exciting, competitive soccer. It provides every player with the chance to grow, test their skills, and develop the character and teamwork that will help them succeed both on and off the field. It is a perfect example of our vision in action and we hope you will share it with us this weekend!

To our players, coaches, and families, we are thrilled to have you join us. We hope you enjoy every moment on and off the field, and we wish you the best of luck in your matches. Remember that this event is about youth athletes developing in their sport. We expect sidelines to be in friendly support of every player on the field.

This tournament would not be possible without the incredible dedication of our volunteers, referees, and staff. Their hard work is the foundation of this event. We also extend our deepest gratitude to our main sponsors, Academy Sports & Outdoor, Local's Market, Utz, and Bimbo for their generous support.

Thank you all for being part of this tradition. We hope you have a safe and memorable weekend.

Sincerely,

Shayne D. McIntosh

President | [DASC](#)

- B. Drawn matches in the qualification round, (20 minute games) will not have a shootout. They will end as a tie.

C. Drawn matches in the championship round, (40-minute games); the winner will be determined by the Dillsburg Dual Shootout.

13) TIEBREAKER PROCEDURE/THE DILLSBURG DUAL SHOOTOUT

Championship round games which are tied at the end of regulation play will go directly into a SHOOTOUT, involving players on each team challenging the opposing goalkeeper in a one-on-one situation. Each team will then have five chances in alternate order, with the home team kicking first. The shooters will start with the ball 35 yards (U13 and U14) or 30 yards (U11 & U12) or 25 yards (U9 & U10), from the goal and will have, at the one referee's whistle, five seconds in which to get the shot off. The ball does not have to cross the goal line within those five seconds. The goalkeepers have no movement restrictions within the five-second period in accordance with normal rules of play. However, the goalkeeper must start each shootout attempt on his goal line.

The kicks shall end when one team has achieved an insurmountable advantage, such as scoring on its first three kicks while their opponents miss their first three. If the teams remained tied after the prescribed five attempts, they shall continue to take alternate single kicks until one team has scored more than the other team after an equal number of attempts. The remaining players on the field must be used as kickers until all players have taken a shot. After all players on the field have taken a shot the rotation starts over with the players on the field. Only players in the game at the end of the match shall be eligible to take such kicks. Any of those players may be the goalkeeper. Goalkeepers must take their turn to kick. No player shall take a second kick until 11 kicks (for 11v11 age groups) or 9 kicks (for 9v9 age groups) or 7 kicks (for 7v7 age groups) have been taken. The shooter is not allowed to play rebounds off the goalkeeper, crossbar, or goalpost, i.e., the shooter receives only one shot within the five seconds. If the goalkeeper handles the ball outside the penalty box, or fouls the shooter, a penalty kick will be awarded.

Coaches may be on the field but may not coach their players or shout instructions when they are taking the shot.

14) QUALIFICATION ROUND OF PLAY / SEEDING FOR THE CHAMPIONSHIP ROUND

All teams participating in the qualification round of play will be guaranteed a minimum of three (3) mini-games. At the end of each game the winning and losing teams will be awarded game points based on the following criteria:

Regulation win = 3 game points

Drawn Match (both teams scoring i.e. 1-1) = 2 game points

Drawn Match (neither team scoring i.e. 0-0) = 1 game point

Regulation loss = 0 game points

At the conclusion of all qualification matches in an age group the game points will be totaled. The team with the highest game points will be seeded in the highest position. The team with the next highest game points will be seeded in the next position. This will continue until all teams have been seeded. Should two teams have the same number of game points; tiebreakers as specified in rule #15 will take effect.

15) TIEBREAKERS FOR SEEDING

The tiebreakers used in determining the seeding into the

championship round will be as follows:

A. Bonus points will be added or subtracted based on a +(-) goal differential. The differential will be the difference between the goals scored and goals allowed by each team in regulation play with the maximum differential points allowed for a single match being +(-) 4. The +(-) difference will be summed. The team with the highest number of differential points will be seeded in the higher position.

B. If two or more teams have the same number of differential points, the team that has allowed the fewest goals in the qualification round of play will be seeded in the higher position.

C. If after (B) above two or more teams have the same number of goals allowed, then the team that has scored the highest number of goals in the qualification round shall be seeded the higher position.

D. If after (C) above, two or more teams have the same number of goals scored, the higher seed shall be determined by the winner of a coin toss.

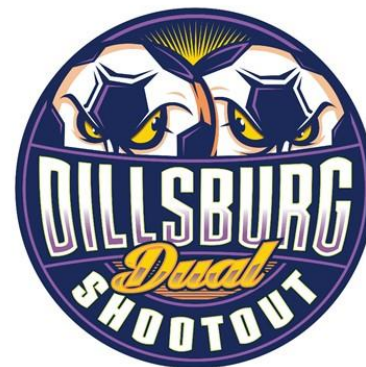

16) CHAMPIONSHIP ROUND OF PLAY

After all the teams in each age group have been ranked according to the seeding procedure, the teams will be divided into eight or six team divisions. The teams will start the series of elimination championship games on Saturday afternoon. The winning teams will advance into the winners' bracket and the losing teams will move into the losers' bracket. In Sunday's Championship Round's elimination format; one team will advance from the losers' bracket to challenge the team from the winners' bracket for the division championship.
