The Greater Sealy Little League has an excellent opportunity for you to show your sense of community involvement. We know businesses take pride in their support of non-profit organizations for kids in their local community. Your contribution will help us reach our goal to provide every child an opportunity to learn and play the games of baseball and softball, to have safe equipment to use, and to provide many different organized activities for kids to participate in. We need your support to help our children to grow...not only physically, but emotionally and socially as well. Your support will not only promote your business, but will also enrich every child in our program. Help keep our program going by your generous contribution.
