

**Advertise your business while supporting Warren County South Little League!**

It takes two things for a Little League season to be successful, time and money. Countless hours are needed from volunteers such as coaches, board members and umpires. If time is something you could not offer, maybe a financial contribution is how you show your support to South Little League.

Proudly display your company logo on a 3' x 8' banner showing your support of Warren County South Little League and join our efforts to teach youth baseball in our community.

We have display spaces available at all of our facilities so that your message can reach the people who support local businesses. Warren County South Little League is dependent upon the local business community to fund our league. 100% of your donations go directly to equipment & uniforms for the kids, umpires and other required maintenance and league expenses. We simply cannot exist with the support from local business owners.

**ALL Banners will be displayed through our Fall League Season (March – October)**
