At **CCSA** we "Emphasize Fun" and we truly mean that! To make our association the best that it can be takes a team of committed parents, amazing support from Crystal Springs Parks and Recreation Dept., and proper funding so we **CAN** make the "fun" happen!!!

Sponsorship is vital to achieving our long term goals such as:

- *Field lighting for night practices and games*
- *Permanent restroom facilities*
- *Additional fencing to protect players and fields*
- *Growth of player registrations to 300 by 2020 season*
- *Improve field turf and drainage*
- *Purchase of benches and bleachers*

CCSA is a local soccer association that reaches an average registration of approx. 150 players. On Saturday's we may have as many as 300 adults and players in and around our fields with over 400 people currently following us on Facebook. Sponsorship is a great way to reach our community and support a growing organization that enriches the lives of parents and children!
