Article # 8 - Child drop-off Policy

Due to unexpected events such as sudden changes in weather, SFTYFA has a strict no drop-off without a designated guardian policy for the football players. If you can't stay for your child's practice or game, you must designate a guardian that is responsible for your child while you are away. Give the Head Coach a number where you can be reached and the name of the designated guardian that is responsible for your child in the event of an emergency. This policy is strictly enforced. Parents are required to be at the field 15 minutes prior to practice ending.

Article # 9 - Player Dismissal

- 1) A player's dismissal can occur at any time during the season. If a coach has problems with a player, the coach's first action is to verbally address the problem with the parents/guardian. This serves as a first warning. If the problem continues the head coach will take the issue up with the officers of the SFTYFA and after a discussion is held the player may be removed from the roster depending on the severity of the problem.

- 2) Reasons for dismissal include but are not limited to the following examples. The use of foul language towards a coach or another player, being ejected from a game, fighting with other players, or the continued violations of the team and league rules.

Article # 10 – Parents

- 1) All parents/guardians are required to participate in all fundraising activities as mandated by the executive board. (i.e. Selling lottery tickets, Working in the Concession Stand, Selling 50/50 tickets, Collecting gate donations, Selling advertisements, holding sticks, etc.) All coaches, head or assistant and all board members are also required to participate in these activities. Failure to participate in a fundraising activity could result in that parents/guardians child being ineligible to play in the following week's league game. Failure to participate in a second fundraising activity could result in the immediate removal of that parents/guardians child from the program.
- 2) Parents/guardians are not permitted to approach any coach, head or assistant for 24 hours following a league game regarding any issues related to playing time and player positioning. Failure to comply will result in that parents/guardians child being ineligible to play in the following week's league game.
- 3) Disrespect or the use of profanity by a parent/guardian towards coaches, opposing teams or officials, or continued unruly behavior will not be tolerated and will result in the immediate removal of your child from the program.

Article # 11 – Coaches

- 1) The SFTYFA officers will approve all head-coaching positions.
- 2) All football teams will have one head coach, one assistant head coach, no more than two assistant coaches and a team mom or dad.
- 3) Once the head coaches are selected and approved by the SFTYFA officers, the head coaches will select their assistant coaches and business managers. If there are multiple teams The Head Coach will only be able to select one (1) Assistant Coach. The remaining coaches will be selected after the draft is held.
- 4) Coaches are to follow the SFTYFA By-laws and the By-Laws and General Rules of the G19YFL (Greater 19 Youth Football League) or the current By-laws of the league to which we belong.
- 5) Coaches are allowed to make up their own coaching philosophies and plays but are expected and required to do so with the best interest of the children in mind.

- 6) All coaches and assistant coaches are subject to a background check and child abuse clearance.
- 7) All head coaches are responsible for the behavior of assistant coaches. A head coach must address inappropriate behavior with assistant coaches immediately when the behavior occurs.
- 8) All head coaches must hold organized practices using the current league guidelines.
- 9) Coaches are required to stay until every child is picked up from the games and practices.
- 10) Coaches are required to treat all team members equally at both practices and games.
- 11) Coaches are required to make sure that every player that is willing plays a minimum of 6 plays at every game, including playoff games and the Super Bowl. If a player doesn't want to play in a particular game the Head Coach or an Assistant Coach, along with the player in question should address that player's parent/guardian as soon as time permits to avoid any issues that may arise regarding the lack of playing time. In regard to the 12 Year Old team, it is the intent to supply each child with a reasonable amount of playing time. However, playing time is not guaranteed.
- 12) Coaches are required to keep up communications with the parents through email.
- 13) Coaches are responsible to make sure that there are no parents on the sidelines during league games. Only coaches, business managers, SFTYFA board members, and individuals holding the chains and down markers are permitted to be on the sidelines. (NO EXCEPTIONS)
- 14) All coaches have to follow the league bylaws or may be removed by a majority vote. Coaches are responsible for their own G19 fines.

Article # 12 – Multiple Teams

- 1) There can be no more than 31 players on any team at the TWERP, TERMITE, MIGHTY-MITE, and 12 Year-Old level. (Unless the league to which we belong has different guidelines, to which we must abide by.) Specifically, if 32 children sign up, there would be 2 teams of 16. However, if 45 children sign up, there would be 3 teams of 15.
- 2) If numbers dictate that there will be multiple teams all players at that level will drill together for the first week of practice. This is to ensure that all players have an

opportunity to acquire the basic and advance skills appropriate to that level of football. This will also allow the coaches to become acquainted with the players' abilities for draft purposes.

- 3) A player draft will be held after the first week of practice. The direct purpose of this draft is to ensure that there is a competitive balance between the teams. Each head coach's child will automatically be placed on their team. Each head coach will be allowed to pick one Assistant coach & their children will automatically be placed on their team's roster. At this point the children will be split equally between the 2 teams. The Oldest players at each level will be drafted first. Then the youngest players at that level will be drafted. (i.e. On the Termite Level all of the 9 year old players will be drafted before the 8 year old players.) Heads or Tails will decide who gets the first pick. The senior Head Coach gets to call the toss. If this is both of the Head Coaches first year as being a Head Coach the board will pick who gets to call the toss. This draft will be held at a location selected by the board. The only individuals permitted to be present at the draft are the Head Coaches, Assistant Head Coaches and the Board Members.
- 4) The winner of the toss will get the first pick. The other coach will get the second and third pick. Then it will go back to the winner of the toss who will get the fourth pick. Then the picks will go one for one. (The draft will continue in this manner until all of the children at the older level are placed on a team.) (The winner of the toss also has the right to pass the first and fourth pick to the other coach in exchange for the second and third pick should they wish.) Since the winner of the toss got the first and fourth pick at the oldest level, the other coach will now get the first and fourth pick at the younger level. (This is only after all the older players are divided between the 2 teams.) If the winner of the toss decides to pass the first and fourth pick to the other coach and take the second and third pick at the older level, the other coach will still get the first and fourth pick at the younger level with the choice to pass it to the other coach should they decide.

EXAMPLE:

2 TEAMS

Older Level

Winner of Toss	Other Coach
1	2
4	3
6	5
8	7

Younger Level

Winner of Toss	Other Coach
----------------	-------------

2	1
3	4
5	6
7	8

- 5) Should there be 3 teams at any particular level; straws will be drawn to decide the order of the pick. The longest straw will get the first pick, the in-between straw will get the second pick and the shortest straw will get the third and fourth pick. Then the in-between straw gets the fifth pick and the longest straw gets the sixth and seventh pick. (The draft will continue in this manner until all of the children at the older level are placed on a team.) If there are three teams and since the coach with the longest straw got the first pick at the oldest level, the coach that received the third pick at the oldest level will get the first pick at the younger level. (This is only after all the older players are divided between the 3 teams.)

EXAMPLE:

3 OR MORE TEAMS

Older Level

Long Straw	In-Between Straw	Short Straw
1	2	3
6	5	4
7	8	9
12	11	10

Younger Level

Long Straw	In-Between Straw	Short Straw
3	2	1
4	5	6
9	8	7
10	11	12

- 6) The purpose of this draft is to ensure the competitive balance as mandated by league rules. With competitive balance being the primary concern, the board reserves the right to direct which coach will have the option of first pick in lieu of a coin toss. The first pick can be directed to one coach at both levels should it be deemed necessary. The board will make this decision after taking into account the talent of the head coaches and assistant head coaches' children. Should there be three or more teams the board reserves the right to establish the order of the draft. The board also reserves the right to modify the team rosters to ensure that each team has the same number of older and younger kids on their teams. If changes need to be made, players drafted at the end of a particular age group will be moved from one team to another.

- 7) Siblings playing at the same level (TWERP, TERMITE, or MIGHTY-MITES) will be placed on the same team. This will be accomplished in the following manor.
- 8) A record of the draft must be signed by the Head Coaches and Assistant Head Coaches and then handed in to the President or Vice President of the SFTYFA so it can be kept on file.
- 9) Once the draft is finalized the players will be notified at the next practice or by public posting as to which team they will be playing on. Once a child is placed on a team there will be no changes made. (If a player quits following the draft for any reason other than a medical reason, they will be ineligible to play the following season.) (Quitting prior to the draft will have no consequences for the following season)
- 10) At the conclusion of the draft each team will select their team color designation (Green, White, Black, Silver, etc.) This will be used by the G19 League to develop the season schedule.

Article # 13 - Inclement Weather Policy

Practice Cancellations:

Football players are expected to show up for practices unless they receive a phone call from their coach. Never assume a practice has been cancelled because of bad weather. Decisions to cancel or postpone practices will be made by the coach of that team. During the month of August brief storms are known to pop up in the early evening. While it might be raining at your house the practice field may be sunny and dry. Therefore, do not expect a phone call to cancel practice. Except in extreme cases no decision will be made until after you arrive at the practice field.

Game Cancellations:

Football games are rarely ever cancelled so football players are expected to arrive for every game regardless of the weather conditions. Failure to do so will result in an unexcused absence.

Article # 14 – Dissolution

A vote of three-quarters (3/4) of the current members of the SFTYFA in good standing is required in order to dissolve the SFTYFA. Notice that dissolution of the SFTYFA will be considered at a meeting must be given to all current members by first class mail, no later than thirty (30) days prior to the date of the meeting.

Article #18 – Conflicts of Interest Policy

1) Purpose:

The purpose of the conflicts of interest policy is to protect SFTYFA's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer of the SFTYFA or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

2) Definitions:

a) Interested Person

Any officer who has a direct or indirect financial interest, as defined below, is an interested person.

b) Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment or family:

- iii. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the SFTYFA is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Paragraph 3(b), a person who has a financial interest may have a conflict of interest only if the remaining officers decide that a conflict of interest exists.

a) Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the officers considering the proposed transaction or arrangement.

- ii. The presiding officer shall, if appropriate, appoint a disinterested officer or committee to investigate alternatives to the proposed transaction or arrangement.
- iii. After exercising due diligence, the remaining officers shall determine whether the SFTYFA can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- iv. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the remaining officers shall determine by a majority vote of the disinterested officers and members present at the subject meeting whether the transaction or arrangement is in the SFTYFA's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

d) Violations of the Conflicts of Interest Policy

- i. If the officers have reasonable cause to believe an officer has failed to disclose actual or possible conflicts of interest, they shall inform the officer of the basis for such belief and afford the officer an opportunity to explain the alleged failure to disclose.
- ii. If, after hearing the officer's response and after making further investigation as warranted by the circumstances, the remaining officers determine the officer has failed to disclose an actual or possible conflict of interest, they shall take appropriate disciplinary and corrective action.

4) Records of Proceedings:

The minutes of the subject meeting shall contain:

- a) The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to

determine whether a conflict of interest was present, and the SFTYFA officers' decision as to whether a conflict of interest in fact existed.

- b) The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.
