Assistant coaches will be responsible for 50% of the volunteer slots required for a participant or family.
- 3) Parents/guardians are not permitted to approach any coach, head or assistant for 24 hours following a league game regarding any issues related to playing time and player positioning. competitive teams while maximizing playing time for all children in the program.

- 2) If numbers dictate that there will be multiple teams, all players at that level will attend a mandatory 2-day evaluation combine to determine draft status. We strongly recommend that players attend both days of the evaluation combine but if a player must miss one, they must attend the other. Evaluation combine dates must be communicated to parents the first day registration is open. Teams will then be selected and communicated to parents within a week of the 2nd evaluation combine.
- 3) A player draft will be held within one week of the 2nd evaluation combine. The direct purpose of this draft is to ensure that there is a competitive balance between teams. Each head coach's child will automatically be placed on their team. Each head coach will be allowed to pick two Assistant coaches and their children will automatically be placed on their team's roster. At this point, players will be split equally between the two teams. The senior Head Coach gets to call the toss. This draft will be held at a location selected by the board. The only individuals permitted to be present at the draft are the Head Coaches, Assistant Head Coaches and the Board Members.
- 4) The winner of the toss will get the first pick. The other coach will get the second and third pick. Then it should continue to snake until all players are selected. All players are eligible to be selected at any time. Age and/or grade level does not matter.

The longest straw will get the first pick, the in-between straw will get the second pick and the shortest straw will get the third and fourth pick. Then the in-between straw gets the fifth pick and the longest straw gets the sixth and seventh pick. The draft will continue in this manner until all players are selected. All players are eligible to be selected at any time. Age and/or grade level does not matter.
- 6) The purpose of this draft is to ensure the competitive balance as mandated by league rules.

- 8) A record of the draft must be signed by the Head Coaches and Assistant Head Coaches and then handed in to the President or Vice President of the SFTYFA so it can be kept on file.
- 9) Once the draft is finalized the players will be notified at the next practice or by public posting as to which team they will be playing on. Once a child is placed on a team there will be no changes made. (If a player quits following the draft for any

reason other than a medical reason, they will be ineligible to play the following season.) (Quitting prior to the draft will have no consequences for the following season)

- 10) At the conclusion of the draft each team will select their team color designation (Green, White, Black, Silver, etc.) This will be used by the SHYFL League to develop the season schedule.

Article # 13 - Inclement Weather Policy

The By-Laws of the SFTYFA may be amended at a regularly scheduled monthly meeting with a 2/3rds majority vote of the officers of the SFTYFA and a 2/3rds vote of the members of the SFTYFA in good standing that are in attendance at the meeting. (A 2/3rds vote of the officers of the SFTYFA would constitute 6 officers being in favor of a particular change.)

Revisions to the By-Laws require that the change be read at (2) two consecutive regularly scheduled monthly meetings prior to voting on the change. Voting on the proposed revisions(s) can occur at the same meeting at which the second reading takes place.

The By-Laws, which are a part of the SHYFL (South Hills Youth Football League) By-Laws or the league to which we belong cannot be changed unless the league changes them.

Article #18 – Conflicts of Interest Policy

1) Purpose:

The purpose of the conflicts of interest policy is to protect SFTYFA's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer of the SFTYFA or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

2) Definitions:

a) Interested Person

Any officer who has a direct or indirect financial interest, as defined below, is an interested person.

b) Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment or family:

- iii. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the SFTYFA is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Paragraph 3(b), a person who has a financial interest may have a conflict of interest only if the remaining officers decide that a conflict of interest exists.

3) Procedures:

a) Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the officers considering the proposed transaction or arrangement.

b) Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the meeting while the determination of a conflict of interest is discussed and voted upon. The remaining officers and members present at the meeting shall decide if a conflict of interest exists.

c) Procedures for Addressing the Conflict of Interest

- ii. The presiding officer shall, if appropriate, appoint a disinterested officer or committee to investigate alternatives to the proposed transaction or arrangement.
- iii. After exercising due diligence, the remaining officers shall determine whether the SFTYFA can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- iv. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the remaining officers shall determine by a majority vote of the disinterested officers and members present at the subject meeting whether the transaction or arrangement is in the SFTYFA's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

d) Violations of the Conflicts of Interest Policy

- i. If the officers have reasonable cause to believe an officer has failed to disclose actual or possible conflicts of interest, they shall inform the officer of the basis for such belief and afford the officer an opportunity to explain the alleged failure to disclose.
- ii. If, after hearing the officer's response and after making further investigation as warranted by the circumstances, the remaining officers determine the officer has failed to disclose an actual or possible conflict of interest, they shall take appropriate disciplinary and corrective action.

4) Records of Proceedings:

The minutes of the subject meeting shall contain:

- a) The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the SFTYFA officers' decision as to whether a conflict of interest in fact existed.
- b) The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

5) Compensation:

- a) An officer or member in good standing present at the subject meeting who receives compensation, directly or indirectly, from the SFTYFA for services is precluded from voting on matters pertaining to that officer's compensation.

To ensure the SFTYFA operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a) Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- b) Whether partnerships, joint ventures, and arrangements with management organizations conform to the SFTYFA's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

When conducting the periodic reviews as provided for in Article 7, the SFTYFA may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the officers of their responsibility for ensuring periodic reviews are conducted.
