

SFTYFA: Sunday, August 5, 2019→MINUTES

Present: LeViseur, S.Lamonde, L.Lamonde, Welhorsky, Ludwig, Makar, Brickner, Onda, Knox, Joe Brickner

Meeting called to order at 6:48 pm.

President:

- Laura spoke to Paula at the Twp re: Cornhole Tournament. Paula was a little upset b/c she feels it's a little too similar to Community Day which is the following weekend. She expressed concern about parking, restrooms, trash, etc.
- Balloon artist would be \$375 for the afternoon on 8/18 so everyone agreed not to proceed with it

Vice President:

- Currently L.W. is on the 5/6 roster, but Dad said she will be held back to repeat 4th grade this year. She meets the age requirements to play at $\frac{3}{4}$, so as long as we get proof that she will be in 4th grade there will not be an issue. She will practice with $\frac{3}{4}$ on Monday.

Treasurer:

- July report- July 1 \$14,415.48, July 31 \$20,074.81
- Will be ordering (7) 5 year jackets next week

- Select team moms/video/photographer- coaches will send out the request with job descriptions attached.
- Times for pictures on 8/20? Forms? Ludwig and Lamonde will get more information asap
- Flag- will we put them in the yearbook? Picture Day? NO, if things go well this year, consider covering them next year
- Order Coach shirts-how many coaches?? (\$500 budget)- will order from our on-line Fanantic Impressions store so we get money back on it, coaches in attendance requested green and dri-fit blend with Lions logo.
- Clearances/Heads up update- waiting on one more head coach to pass the Heads Up test, most assistants are good on clearances, emails out to those who need to turn something in still

Equipment:

- Most people have their gear, only about 4 players left to equip
- 7th grade helmets will be expired after this season so the question was raised to invest in a new set or just have kids continue to wear their gray uniforms and helmets at 7th grade level. After some discussion, we decided to stick with the grays for 7th grade.

- Current 7th graders will be allowed to keep jerseys and possibly helmets
- Girdles are in bad shape and obsolete since most people purchase the integrated pads and pants. Do we invest in new girdles and pads or switch to integrated or not provide at all? We will no longer provide girdles and pads, but we did not resolve who would provide in future.

Registration:

- Flag-37 total (7@K, 13@1st, 17@2nd)
