

2018 Season

Dear Challenger Players;

Spring is almost here and it's that time of year again. The fields wait to be played on, the bats and balls are ready to be used. All they need is YOU!

Quickest way is to register is to have your parents/guardian go on-line at:

<http://leagues.bluesombrero.com/idchallenger> You can still download a registration form at eteamz.com/idchallenger and mail it to me. The registration fee is \$40.00 (Please make checks to Challenger Little League.) If you have a problem with the fee please contact me to make arrangements.

The registration deadline is March 15th "Or until the teams are full" Register early!

Because of so many no shows, players will only be placed on a team when I receive the registration form.

"Help spread the word!" Tell all your friends and classmates about Challenger. If they would like to play, please give them my name and number and have them give me a call.

Starting date is planned for Sat April 21st. All games will be played at N.W. Ada Little League fields (Eagle & McMillian). Start time is 6:30 p.m. (Please come early and be ready to play at that time.) Remember April 21st will be uniform day and things are always a bit crazy, so please come at 6:00 p.m. to meet your new team and get your uniform.

Any special request can be written on the space given on the registration form. I will do my best to fulfill them.

"Parents" Please remember that Challenger can not run it's self. Please be willing to step up and help with the team. It can be a rewarding experience that you will never forget. I need 4 coaches per team for it to run smooth, without, that team will not be able to play.

I am looking for team sponsor. If you know of any businesses that would be willing to help in this area please give them my name and number.

Team pictures have a tentative date of May. (Still working on this) You will be informed of your team's date and time as it gets closer.

I'm looking forward to a wonderful season of baseball fun. Sure, hope to see you there.

Please feel free to call me with any question or if I can help in any way.
