1. **Remember, it is very important that we all remember to pay for anything that we eat or drink.**

The profit margin is not that great, and anything given away free from the concession stand takes many sales to replace it. Since we are ALL volunteers, no matter if, we are Board Members, Managers, Umpires, Team Parents, or Workers in the Concession Stand; we do not receive anything in return for our service. There is not one position more important than another is. Without volunteers for all of the jobs we have, there would not be a program. This is the biggest fundraiser we have for our program and the more money we make through our concession stand, the more things we can do for our players.
