

SOUTH BEACH YOUTH FOOTBALL AND CHEER

The South Beach Youth Football and Cheer Association (SBYFCA) is home to the Pop Warner Satellite Beach Seahawks Football and Cheer teams and Satellite Beach NFL Flag Football League. We have been in existence for over 25 years and are continuing a tradition that provides kids a chance to play in a safe structured environment.

This year members of the SBYFCA 2019 Volunteer Organization have challenged themselves to meet the fundraising goal of \$20,000.00 before the official opening day kickoff August 2018. We pride ourselves in building long-standing relationships amongst the organization, in its youth participants & families and with the greater community. As we model and integrate **Champions for L.I.F.E.**™ (Leadership, Integrity, Fortitude and Effort) character development aspect inherent in football and cheer.

SBYFCA is a 501c3 non-profit organization- your tax deductible contribution helps ensure that the youth of our community receive the guidance and support needed to develop into strong leaders with the skills to be champions for life. We are supported by the volunteer efforts of parents, extended family, coaches, high school students and community members at large.

The organization is further supported financially by local businesses and individuals via tax deductible sponsorships and donations to the SBYFCA.

You are receiving this invitation to contribute to the South Beach Youth Football & Cheerleading Association because you have been identified to value the attributes of **Champions for L.I.F.E.** - those of Leadership, Integrity, Fortitude and Effort.

Thank you,

John Wallace, President & Jason Engle, Fundraising Chair
