

April 14, 2020

Hello Parents & Players of PTAA,

The board continues to monitor the COVID-19 situation. We met yesterday to discuss plans for the spring season. As mentioned in our last communication, we will follow the policies set forth by public health authorities and the government, and our pause on the spring season currently remains until April 30th. The board will continue to prepare contingency plans and procedures to be ready to take the field and start our spring season once we get the proper indications that it is safe to do so.

We hope that everyone is staying safe and healthy during this difficult time, and that we will all see each other on the fields again soon!

We will send a follow up communication after our next meeting on April 27th.

Thank you for your support. If you have further questions, comments, or concerns please reply to this email.

Thanks,

The PTAA Board
