We have the 360 photo booth, mechanical bull, balloon arch, good food, Homecoming court for each game, aged out participant recognition are some of the things that are planned for the day. Regina asked for volunteer listing league wide as some cheer families may be able to help with other things as well, work on it all together, Monique feels she probably has enough so will send out what needs filling. Discussed timing and handling of the smoke sticks, information for the announcing the event, including teams, homecoming court, 50/50 raffle. National Anthem needs to be quicker and louder than the one at the last game. Everyone agreed. Discussed adding another speaker around weigh in to see if that helps everyone to hear.</p> <p>Registration for Fall 2023 season We discussed current and new registration rates for next year. We'd like to open registration and have a booth at homecoming to attempt to retain as many participants now. We discussed and agreed to do the three tier pricing as we did for the 2022 season. One for now at the same cost as current registration aimed for our current participants, early bird to start in Jan 2023, and final will start in June, no specific date set yet.</p>
