## BOARD MEETING MINUTES

DATE	LOCATION	DURATION
7/20/23	Zoom (3 zoom calls)	Start: 7:08 pm End: 9:03 pm

MEMBERS IN ATTENDANCE	Russell Sass, Regina Cuff, Kelly Rose, Tamee Pires, Monique Nails, Rheannon Reyes, Fatima Rocha, Nick Vasquez, Jen Offner, Jill McCarthy, Lisa Caldera, Rueben Rodriguez
AGENDA	See agenda
NOTES	<p><b>Appreciations:</b> The board went around and gave appreciation of other board members and things that were appreciated. Board members also provided the board with very positive family feedback for our season so far.</p> <p><b>Athletic Director:</b> Rueben mentioned a new scrimmage has been scheduled on 8/12 in Hollister for currently 8U. He is working on getting other teams able to participate. Tamee mentioned that is the same day as JAMZ Camp weekend and Kelly mentioned it is the player card certification day. Russell mentioned to Rueben to see if the date can possibly be changed and to attempt to avoid double bookings. Russell also mentioned the possibility of cheer going to some scrimmages. Cheer hasn't been to scrimmages for years as we discussed, maybe an opportunity this year.</p> <p><b>Background Checks:</b> It was brought to everyones attention that the team parents have to have background checks. All team parents have now been assigned. Cheer has allocated to the teams and football will advise if they'd like to get the football team parents allocated to their teams. Team Parents must be registered as a volunteer in Blue Sombrero to allocate.</p> <p><b>Vice President, Kelly:</b> Kelly mentioned Snap Raise is off to a slow start. Partially due to an incorrect code provided to us and listed on the info provided to families. Kelly has already corrected it with the correct code and has sent a mass email to all families. The event will be pushed out for the days of the error.</p> <p>Pasta Feed, need big ticket items for raffle and auction. Kelly asked the board to try and get whatever we can to help. The more items we have, the more tickets we will sell. Gift baskets were also requested if anyone can donate one.</p> <p>Fatima will be doing football attendance this season.</p> <p>Dre has all the game day information to work on a plan for game day preparedness.</p> <p>DeAndre came out to work on the scoreboard to see if we can get it up and running. More status to follow once reviewed.</p>

**U-Box:** It appears the UBox has never been cleaned out. Russell verified the bank charges during the meeting. He asked Nick if he could work it and make it happen. Nick agreed. Russell said Rueben has the key to the lock and Kelly said she'd call them since its under her name and let them know we were going to be there to clean it out.

**Practices:** Discussed practices other nights and locations of what our permit has. Rueben says Russell will be discussing it with the football coaches. That brought up the subject of what is the allowable times for practices. Monique looked it up and found the EBYFC rules state prior to Jamboree, five sessions per week, 2 hour limit. After Jamboree, three sessions per week only. Russell feels we need to have formal connection between football and cheer. Tamee asked about football being a part of the cheer halftimes as previously discussed, Russell says the football coaches feel there isn't enough time for that so will have to see.

**League Kick Off Potluck:** Monique says we have a good amount of families signed up. She says no more hot dogs, desserts or fruit are required. Russell mentioned a coaches meet and greet and she felt that we would organically make that happen. Nothing official was planned. Monique to do the final shopping tomorrow to get whatever is needed. She asked the board to let her know how we would be contributing.

Board majority decided it would be better to have a firmly set second monthly meeting. We have decided on the 1<sup>st</sup> and 3<sup>rd</sup> Thursday of the month. 1<sup>st</sup> will be in person, and 3<sup>rd</sup> Thursday will be a Zoom that Kelly can provide. 7:30 pm.

Next meeting is 8/3/23 in person. No location discussed.
