NOTES	<p>Team Monitor – Kelly brought up requirement for team monitor to help enforce the 10 play minimum rule. They require an MPR form completed and sent after every game. A discussion of whom we can ask to help with that duty was had. Kelly and Rueben to make a plan for it to happen.</p> <p>Kelly – To sit in for Rueben at the EBYFC football meeting on 8/10. Spirit wear tshirts and baseball caps for the Firebirds are scheduled for next week. Jamboree potluck was mentioned and briefly discussed. We have no logistics information.</p> <p>Monique – Brought up out of the area nicer fields since we did get an approval for one of the area high schools with a stadium set up. She provided info about the improved conditions in a location such as that and asked to have a discussion on it prior to declining the permit. The discussion was complete and the decision was made to stay in Fremont and work with what we have. Discussion was informative and all opinions heard. Tamee to close any outstanding permit requests for home fields. Tamee will be sending the diagram of Nordvick use to COF as no changes are being made. It is complete.</p> <p>Music and PA system – Tamee mentioned music, was asked by EBYFC how Fremont Cheer does their music. Once explained the use of a speaker, she was asked to bring it on a device they can pipe it in as the fields use their PA systems. Tamee mentioned that all visiting teams need to be aware we don't have that to provide so they don't have that expectations. During the discussion Russell mentioned possibly look at a larger speaker system with mic. Lisa and Steve to review what is required and available and moved the subject to next meeting agenda item.</p> <p>Tamee – Cheer practice relocation was discussed. Tamee, Monique, Lisa, Gina did a walkabout around AHS and neighboring areas to have us all practice closer together until lights and indoor occur. It was decided with the conditions of all areas that the front corner of Los Cerritos Park would be the best choice for cheer. The board agreed that the cheer families need to be involved in this move. Cheer will be holding a meeting after camp to</p>

discuss with families and will hopefully get positive feedback from most. The majority will decide if this short term move will occur for the season. It will be where practice will be held for cheer for all future seasons and during recruitment as long as football is practicing at AHS.

JAMZ Cheer Camp is 8/13 and 8/14. Parents will be bringing and picking up their kids daily and a family show will be on 8/14 at 2:30 for anyone interested in supporting cheer.

EMT – Kelly is working on obtaining EMT’s for our home games. The leagues EMT case is missing and needs to be replaced. Some EMT’s supply but most at lessor costs will need the supplies. Kelly mentioned a few, Collar, splinting, bandages, etc. Rueben and Russell discussed Lorena, the AHS Athletic Trainer may be interested and may be able to supply all her own supplies. Rueben to work with her and introduce her to Kelly as well.

Service Awards – A short discussion of service awards. 5 year increments has been the tradition for the league. Seemed everyone agreed it would be a good thing to continue. Possibly at a first home game. We added this for further discussion on our next meeting agenda.

Lighted Practice Field – Discussed starting football practice under the lights a bit earlier this year. The time frame discussed is week of 9/11 on Monday, Wednesday, Thursday two hours from approx. 7:30 to 9:30 Would like to have two fields next to each other for ease of coaching and general logistics. Monique and Tamee to get a permit processed that must include all dates through the end of season and or post season practices.
