## Hello Soccer Families,

I'm writing to let you know about our AYSA Gear Recycling Exchange Program and with a specific request.

Our request is that everyone please take a few minutes to look for your old or no longer used pairs of cleats (includes indoor shoes), shin guards, Goalie gloves, etc. for donation to AYSA. Un1tas uniforms in good condition will also be accepted. We want to get this going quickly so families will have access to the items in time for the season. Please just contact us at the email or text below and we will make arrangements to get your items. We are looking for all types and sizes. We will be following up soon with an inventory listing of available items and how you can acquire them (FREE!).

\*We will have a drop box at our members meeting on February 18, 2019.

I hope that this is something everyone will take part in as it will benefit our community in multiple ways. Not only will we extend the use of items (and free up some space in our homes!), but we will also provide opportunity to lower the expense of AYSA participation. Anything we can do to lower the cost associated with participation is worthwhile. Again, please take a few moments to look and see if you have anything to contribute.

Thank you,

Sarah Herold

AYSA Registrar
