Our Guiding Principles

PASSION: commitment at practice and in competition

PERSISTENCE: excellence in what we do on and off the track

PROFESSIONALISM: respect within the team and with others

Safety is first and foremost

Per USATF website:

“USA Track & Field has been committed to creating a culture that clearly advocates, and provides for, a safe environment in which our athletes compete and train. We believe this is paramount to the success of all our programs.

For the safety of our athletes, particularly our youth athletes, as well as all our member participants, USATF adopted the USATF SafeSport Program back in 2014. SafeSport at USATF aims to prevent sexual misconduct and abuse, bullying, hazing, harassment, physical abuse, and emotional abuse, in the sports of LDR, racewalking, and track and field. Our goal is to create a clear culture of awareness to protect the participants in our sports at all levels.”
