

RUSH WI WEST VOLUNTEER POLICY

RUSH WI West requires the participation of its member families to help with the functions necessary for running the club and to help keep administrative costs down. RUSH WI West recognizes that all of its members have their own time priorities and constraints. It further recognizes that some families have the time and the desire to provide more volunteer hours than others and that is always welcome! The dedication and volunteer support of our member families allow RUSH WI West to run two annual tournaments and operate our club. The expectation is that 2 of the 8 hours per year are performed at the Coulee Cup, which is held in October of each year.

Volunteer hours are hours of service to the club and /or a particular team. A list of volunteer opportunities that fulfill a family's volunteer obligation regardless of the number of players in that family was included in registration. Below is a short list of options:

- Board Position
- Team Manager All Birthyears (1 per team)
- Official committee member (tournament, website, etc.) – must be active member

The volunteer service hours can be performed by any member of the family as long as the family member is 14 or older.

The current requirement for all members is 8 hours of volunteer work per competitive year. As stated above 2 of those 8 hours must be performed at the Coulee Cup, which is held in October of each year.

Volunteer Hour Buyout/Requirement: The volunteer hours requirements outlined in this policy require a minimum number of service hours for each family. Alternatively, a family may choose to “buy-out” their volunteer obligation at a fee listed below at their player's age group amount. This is not intended as a way to fundraise for the club, but rather is an incentive for all families to contribute their time and talents for the benefit of all club members. Financial aid recipients are not able to exercise the buyout. The Volunteer hours buyout payment is due upon registration.

The volunteer online sign-up system is the best option for getting the hours and shifts you desire to volunteer for. Please contact Rush WI West at rushwiwest@gmail.com if you would like to volunteer in another capacity. If you are registering for a High School Age Team only your Volunteer Commitment is 4 Hours only. However, your Volunteer Buyout is \$160.00.

Families must remember to sign in using DIBS at any volunteer opportunity event in order to get credit for hours worked.
