

## 2025- 2026 SCB FUNDRAISER POLICY

The success of every season relies heavily on our ability to fundraise & having our parents involved in these events is vital to the success of our organization. From equipment costs to field costs to hosting our annual banquet every year there are many behind the scene expenses incurred that help us make each season memorable for all our football players and cheerleaders.

There will be 2- **MANDATORY** fundraisers each year which will be announced during the course of the season. Please be sure to attend all mandatory fundraiser meetings to ensure you stay updated on these events. (failing to attend the parent meeting **DOES NOT** excuse you from these obligations.)

All Salinas Colts & Broncos Participants **are required** to either ***meet the fundraiser obligations or pay the buy out fee, there will be no exceptions.***

### **BUY OUT FEES WILL BE AS FOLLOWS:**

- \$100 buy out fee for 1 participant
- \$150 buy out fee for families with 2 participants
- \$200 buy out fee for families with 3 or more participants

**\*\*As a reminder, the credit card on file will be withdrawn for the full buy out fee if these obligations are not met by the due date specified on each fundraiser handout during the season.**
