4U/5U Rookie League Playing Rules

The objective of the 4u/5u Rookie League (t-ball) is to promote fun while teaching the basics of baseball. Games are not scored and there are no winners or losers.

- A. Maximum time allowed in a game is one hour and fifteen minutes (1:15). After the time limit expires, no new inning will begin.
- B. The head coach must attend the plate meeting at the beginning of the game. The official start time will be declared at the end of this plate meeting.
- C. A new inning begins after the entire team has batted through their entire order.
- D. Substitutions will be unlimited. However, all team players will bat in the same rotation order. Batting Order should be changed game to game. A coach can choose to reverse the batting order each inning, but should otherwise not be changed during the game.
- E. Bats must have a certified USSSA BPF 1.15 label and the barrel may not be larger than 2 and ¼ inches.
- F. Defense: Each player should rotate between playing outfield and infield each inning. The only exception to this rule is if prior agreement between both the manager and parent(s) has been made for the safety of the player, and the opposing manager shall be notified.
- G. Teams have the option of playing with a maximum of 10 defensive players in the field or all players on their roster.
- H. No player shall be omitted from the defensive lineup in two innings until everyone on the team has been omitted from the defensive lineup in one inning. No player shall be omitted from the defensive lineup in any two consecutive innings.
- I. A defensive player should throw, not roll, the baseball to another defensive player.
- J. Outfielders should throw the ball into the infield instead of running it in.
- K. A base runner may not advance on overthrows on a play.
- L. Any player playing the pitcher position must wear a protective and/or caged helmet. (Mandatory).
- M. The player playing the pitcher position must have one foot inside the pitching circle before each pitch.
- N. There will be no leads offs or base stealing.
- O. There will be no bunting.
- P. Defensive standing on bases is not allowed.
- Q. On defense, each team must play a regular baseball infield. All other players must play in the outfield positioned in the grass 10 feet behind the infield dirt.

R. For the entire season, players will hit the ball as described below:

- **Before the 3rd game of the season:** All players will hit the ball from a tee.
 - **Starting with the 3rd game:** Coaches will pitch to the players. Coaches will pitch overhand and pitching from a knee is recommended. Coaches can pitch anywhere outside the foul arc in a direct line to the pitcher's mound. A batter is allowed up to five pitches, regardless of the number of strikes. If the fifth swing results in a foul ball, the batter shall be allowed another pitch. If the 6th swing is a foul ball or a strike, then the batter shall use a tee and be coach assisted.
- S. If the adult coach is struck by a batted ball, then the ball is dead and the pitch does not count; it is as if the pitch never happened.
- T. A batter will receive two warnings for slinging a bat. On the third occurrence, the same batter will be coach assisted and talked with before batting again.
- U. A batted ball that does not travel on or outside a marked 10 foot radius of home plate is a foul ball.
- V. There will be no abuse of the players on either team by parents, managers, and/or coaches. If a manager cannot control himself, his parents and/or his coaches, the manager will be removed from the game.
- W. The offensive team is **allowed 4 coaches on the field**: first base coach, third base coach, coach pitcher and coach catcher.
- X. The defensive team is **allowed 4 coaches on the field**. One in left field, one in center field, one in right field and one in the area outside the dugout. The three defensive coaches in the outfield must stay behind the players in the outfield and cannot touch the players or the ball. The one infield coach must stay near their team's dugout to give instructions to the infielders.
