

**PAWF General Assembly Annual Meeting
Sunday, September 23, 2018**

SUMMARY OF ACTIONS TAKEN:

In order to encourage officials to participate in higher level tournaments and encourage training of new and/or (youth) officials, the board has made the following motions:

Reimbursement is to be made to officials and pairers for turnpike tolls incurred while driving to and from tournaments during the season. The official needs to submit receipts for travel to Rollie Stillings and payment will be made at the end of the season. Moved-Joe Silvestri, Modified-Rollie Stillings, 2nd-Sam Julian, passed-unanimously

Regarding Jr. officials and beginning officials, moved to amend the current reimbursement policy of "\$25/tournament" to state "\$25/style", since there are 2 separate tournaments during each qualifier when both freestyle and Greco are wrestled. Moved-Joe Silvestri, 2nd-Sam Julian, passed-unanimously

Moved to allocate 4 seats on the National Team bus for officials to ride to Fargo (arriving in time for the officials/pairing clinics) and also back to Pa. Should seats not be available, PA will make alternate arrangements for transportation of said officials. Moved-Joe Silvestri, 2nd- Sam Julian, passed-unanimously

PA will match USA reimbursement for mat and pairing officials to 1 tournament/season, provided the following criteria is met. Tournament must be a reimbursable National or Regional (Fargo, WTT, Women's Nationals, Kids Nationals, any regional outside the Northeast Region) and official must work at least 3 qualifiers and be in good standing with the state of PA. ("Good standing" will be determined by state officials director and state chairman) Moved-Joe Silvestri, 2nd-Sam Julian, passed-unanimously

Additional motions:

*Regarding States, starting with this year, move to vertical pairing for cadets and juniors state championships, using the model presented by Team Illinois at the Leadership Summit held in Colorado Springs this past August. After this year, we would then move forward with discussion on the rest of the model for possible adoption in the future. Moved-Sam Julian, 2nd Toni Black, passed-unanimously

*Regarding gear packages for Cadet, Juniors, and Women's National teams, for Duals and Fargo, moved that we try to lower gear packages to make trips more affordable for our athlete. In order to do this, we will accept bids from minimum 3 gear providers (ex. Rudis, My House, Kathy, and others) to review designs and prices for packages and then decide on direction to go. Package being looked into is a "bare bones" package with singlets, t-shirt, and shorts. Add-ons can be made available for purchase. Add ons would include bag, jacket, additional styles of shirts, and possible others. All orders will be made online and required to be purchased in advance and brought to camp by wrestlers. Moved-Rollie Stillings, 2nd- Toni Black, passed-unanimously

2017 Minutes were read and approved. Moved-Joe Stabilito Sr, 2nd-Rollie Stillings, approved-unanimously

Treasurer's Report – temporarily tabled. Due to transfer of access from Mike Carroll to Rollie Stillings, some additional information is still needed in order to complete a thorough report. Rollie and Van will work to complete report within 30 days. Estimated figures are as follows. All are approximate and should not be taken as actual.

\$400,000 deposits from membership fees, team trips, qualifiers, etc.

\$411,000 expenditures – unexpected expenses, 2017 bills outstanding,
Cadet airfare issues

\$9,000+/- Balance

*We are debt free!

*Report will be available when complete

Officials Report – Our numbers are growing! PA has shown a stronger presence in regional and national events this past year. Several officials have been recommended for upgrade and one has applied for international license. Names will be released after official National release.

Joe Silvestri made several motions regarding participation of state officials. Please refer to Summary of Actions taken by the Board, 1-4. As per Bill Stecklein, numbers nationally over all have dropped drastically. Joe Silvestri's recommendations were presented to give incentive to current and future officials.

Pairing Report – Currently 3 licensed pairers in the state. Melinda Watkins earned her P2 in Fargo this year.

Coaches Report – all applications for consideration for any National team will be done electronically. PA coaches are encouraged to complete application. Application will be found on Team App and on website. Coaches should submit resume and personal info if interested. Code of Conduct and Safe Sport compliance is required. Bronze certification required for Cadets, Junior and Fargo. Copper certification required for Kids. PA coaches who are active in PA (rather than out of state or college wrestlers) will be the focus..."you know the kids"

Brad P – Can college students still put their names in? Yes. We will be looking for coaches for Fargo, Duals, Kids, etc. Can always use coaches, especially for individuals

Mark – How will coaches be selected when 10-12 sign up? Coaches will be selected by criteria which will be reviewed by the coach's committee, headed by Joe Stabilito Jr. He will then review choices with Van.

Brad – Can coaches ride the bus (to Fargo)? Yes. Any coach who attends camp and spends at least one full day at Fargo camp will receive bus transportation, room and board at camp, room at Fargo, and stipend/meal money. If not at camp, they will have room at Fargo, but no stipend/meal money or transportation.

Bob G. – Only at the team hotel? Yes.

Kids Report – Will Betancourt reported that PA won both freestyle and Greco this year! Kids freestyle wrestlers finished with 35 All-Americans and 4 Champions. Team finished 170 ½ points of next closest opponent, Florida. Greco wrestlers finished with 32 All-Americans and 3 Champions. Team finished 91 points ahead of next closest opponent, Florida. Goal for the next year is to have camps leading in to competition. Consideration is 1 camp/month so that coaches and wrestlers get acquainted. Camps would be held in east, west, and central part of state. Will has spoken with Young Guns already and will be working to do what is best for the kids.

Reminder, criteria for Kids Nationals is attending Northeast Regionals. Waivers may (on request and in writing to State Chairman) be offered (for a fee) in case of wrestler not being able to attend. Wrestler would need to apply in writing to State Chairman for waiver, but is not guaranteed acceptance.

Wrestlers can go on own with parents as long as they attend Northeast Regionals

Lewis – Is camp mandatory? No, but it is recommended.

Women's Report – (Chris A.) Our numbers are growing! Madison Wellen won Women's Nationals and also Women's Pan Ams. Approximately 22-23 wrestlers went to Fargo. Successful trip! Upcoming events, 3 teams attending Columbus Day Duals in York this October, 5-6 teams to Finger Lakes Tournament this November, and next spring traveling to West Virginia. (Tom) Level of competition in Texas is elevated! Good for the sport.

Fargo – 11 All-Americans 7 Cadets, 4 Jr. Staff great, Chris awesome
Mid-Atlantics over 200 participants

PJW fairly well, lots of energy Goal is 1-2 more years at youth level then push into JH

Women's wrestling now at Delaware Valley and Gannon

Lewis – Any other initiative other than freestyle in the spring? Discussion with Joe & PIAA

Women and PIAA – Joe Stabilito Sr has been in conference regarding women's season in PA high school athletics. To be accepted in state, need to step back and use folkstyle. As of now, we plan on having 1 day elite tournament to wrestle for state champ at Mid-Atlantics. States around us have started women's wrestling, we are not far behind (expected to be approved in NJ May 6)

Women's participation in PA :

2015 100 girls

2016 180 girls

2017 300+ K-12

Tim – What is the rationale for folkstyle vs freestyle? Originally, was thought to be freestyle, however problems arose. 1. PIAA won't add another season, 2. Coaches don't know freestyle, 3. How to budget another season. Therefore, committee looked to other states. Women's folkstyle goes on during boy's season. Folkstyle can provide good athletes who can be taught freestyle.

Need for Cadet Director – in light of responsibilities of directors, we are in need of Cadet Director. Duties include recruiting wrestlers, coaching, and traveling along with all other duties involved in planning and executing a successful trip. Joe Stabilito nominated Kyle Martin (Kyle accepted) There were no other nominations. Sam Julian moved to close nominations, Toni Black 2nd. Passed-unanimous Kyle Martin is new Cadet Director

Joe Silvestri, speaking on behalf of MAWA, asked to consider changing the name of the Girl's Mid-Atlantic Championship Tournament due to the fact it may infringe on the MAWA name and confuse people. The name will stand for this year, however name change will be considered for next year.

Leadership Summit – Many good presentations to benefit states. Illinois presented model of their program (very successful).

State championships are done by vertical pairing

2 pools with a crossover for championship

1 and 2 wrestlers qualify for Fargo, 3 needs to wrestle winner of a last chance qualifier for final spot

Done with cadets and juniors only

See motion made in Summary of Actions

All info and lists of sessions are available from Van or Joe Stabilito Sr. Sam asked if it is possible to send 2 extra people to summit. Van reported trip is costly. In light of all added to budget, it would not be wise to try to fit in any further monetary support at this time. No reimbursement made for cost of travel this past year. State Chairman and President attend and pay their own travel expenses. Once there, USAW pays lodging for 2 attendees per State.

Lewis – If someone wants to pay own way, what is the process? Van indicated they could if approved by the State Chairman. Also indicated he would look into the process.

ICWL gave presentation of their folkstyle model. Takes pressure off of kids. Gives ability to go into tournament wrestle 3 matches and go home. No team score is kept. (Michigan is adopting similar model)

National Team Report – 150 wrestlers sent to Fargo, including girls. Packet has break down of information and included in these minutes as attachment A

Northeast Regionals – May 3-5 East Stroudsburg University – Cadet and Jr Friday

Request in for Sr level last chance WTT qualifier – if not WTT, will have U23 (great tune up for universities)

New Business

Folkstyle Season – folkstyle tabled until next year. Motion made to add Brian Martz as folkstyle director. Motion – Joe Sr., 2nd – Rollie. Motion to close nominations. Motion- Joe Sr, 2nd-Rollie Stillings Approved- unanimously

States and Club Duals – both tournaments are open for bids. Would like to have all in one room. Will need min. 10 mats for states and min. 8 mats for duals.

Mark – Will vertical pairing add time? It may add one round for cross bracketing round but should not be too much to manage.

Will Betancourt put a call into F&M to see if field house is available

USA weigh in procedures will be used for states and duals

Track Wrestling – track will be used for all qualifiers and states. Pre-registration will be \$15 for each tournament and walk ins will be \$20 for each tournament. States will be all pre-registration, no walk ins.

Membership – cards are needed for volunteers, media, vendors, and trainers. It is the host schools responsibility to make sure all volunteers have memberships (under 18 does not need membership). When club accepts event, they agree to provide trainer, table help, mats, all being SS certified volunteers. Tournament will not be started until trainer is present.

Mark – Can we track or find pools of volunteers so people don't have to travel? Any volunteer completing safe sport, obtaining a volunteer membership, and providing name to volunteer pool will be granted free admission to qualifying event. They should report to the head table for placement. If not needed, admission is still free. (**As of now, the understanding is that Safe Sport Certification is required for all volunteers 18 and older. We are waiting for clarification on the age stipulation and will forward a response upon receipt**)

National Bids – no National bids were put in for this year

Rich Perry – anyone wishing to donate will be able to do so via the website. Rollie Stillings will take the lead on setting this up. Tax ID number will be available.

Fargo - Main concern is gear. Cadet Dual, Junior Dual, Fargo athletes will be required to purchase gear that will be same for Cadet & Junior National Duals and Fargo. Kids Dual athletes will be able to wear SB duals gear for Kids Nationals. Please see motion made on Summary page.

By Law Review – Committee was formed to review bylaws and, if necessary, recommend updates/improvements. Committee consists of:

Van Plocus

Melinda Watkins

Lewis Baker

Toni Black

Chris Atkinson

Mark McKnight

Joe Stabilito Jr

Sam Julian

Billie Jo Farabaugh

Committee will meet via conference call to be set at later date.

Women's Concerns – (Tom) Residency change? Residency is where parents pay taxes, not where wrestler attends school. In regards to women's transgender concerns, follow national guidelines.

Additional Concerns -

Brad – at Fargo camp, we need to have a trainer at all times and someone to clean the mats. (Paid to have someone to clean mats. Need to check on what happened)

Lewis – For future discussions, would it be possible to pair with PJW and award triple crown winner for the state?

Motion to adjourn – Sam Julian, 2nd Toni Black, passed unanimously

Meeting adjourned at 4:12 pm
