Votes Made Via Text Message Since last meeting:

Kristi had an electrician come to see why the breakers keep popping. Need new Breaker Box. Shawna motion to spend the money to fix the electrical in concession to ensure it is running properly and safely. Kristi added that it is also for safety of the entire building, so the breaker does not cause a fire in the garage. DeaDea 2nd No opposition, all in favor. Approved.

Previous Month's Meeting Minutes:

- New Fridge purchased and installed. Working like a charm.
- Two nets ordered and should be here in the next couple of days. Will try them out before purchasing the rest of the replacements, to make sure they fit and are of good quality.
- Still need to find someone for housekeeping (cleaning bathrooms).

Jake motion to approve previous month's meeting minutes. Lisa 2nd No opposition, all in favor. Approved.

Team Pictures this week:

Wednesday through Saturday morning. Concessions will be open. Teams will be allowed to practice on fields before/after team pictures.

Fiancial Report: None currently. Jak is working on it and will have it done asap. Will present at next month's meeting.

**Since Dar is now on the Bank account, Jen will be removed.

Electrical:

An electrician was called because the breakers popping has been an issue for quite some time. The electrician informed Kristi that due to the age of the building and breaker, the breaker must be updated. Also, a new outlet was put in for the stove.

Feild Report:

- _Feilds 5 and 6 need to be measured and lined. Paoblo and Chey will get that done tomorrow after the feild is mowed.
- Feild 1A needs to be remeasured and relined. Chey will get it done sometime this week.
- A couple of the little goals need to be brought out and staked down.
- Nets need to be located from equipment room and placed on the remaining goals. Kristi and Chey will do this tomorrow.

Men's League:

Paoblo Motion to have Men's League teams pay half the fees upfront and the other half midseason. It is very expensive for the teams to pay the full amount upfront (about \$2000 per team, depending on the number of teams). Jak 2nd with the stipulation that there be a contract signed to ensure the full amount is obtained midseason. No opposition, all in favor. Approved.

***** NEED REFEREES! *****

We should talk to coaches and have them see if any of their players are interested in refereeing.

Garage Sale Fundraiser: June 21st and 22nd

Need added to Next Month's Agenda:

Review the Roles & Responsibilities of the Board Members

- Ensuring that members understand and know how to accomplish and carry out their specific roles.
- Who oversees what specific areas of the League, so we know who to direct parents/coaches/others to for their specific questions/needs.
- Finding new Board Members to fill the specific roles that are currently vacant.
- Most importantly, Board Members are not getting “burned out” by taking on too many of the roles at once.

Meeting called to close: 8:30pm
