Field Update:

All broken sprinkler heads are replaced.

City shut off water until May (it's raining so, it is not needed).

Paublo set forth field his maintenance schedule. This is more accurate for what needs to be done each month. Jan – Rolling / plugging / thatching. Feb – Mow. Mar – Weed and feed. Etc. Etc. This will be updated in the contract, so everyone understands the process better.

Registration Update:

174 players and 17 coaches registered to date.

Will try to edit the system so that board members are registered as such.

Advertisement with the Chamber of Commerce Bulletin about spring season.

Christmas gift cards: sold 15. We believe this is a good foundation for registrations in the future. We believe starting advertisement mid fall soccer season will get the word out (starting in December was not enough time).

CYSO wants the spring season to begin in February. This is way too early for us to begin.

*Would like to implement physical copy/signature of the code of conduct contract for all coaches and parents.

*First Coaches meeting will be the First week in March (Date TBD)
