Meeting called to order: 6:16pm

!Break-In! The Breezeway has had quite a few break-ins; we would like to have a camera installed to see that specific area. As well as better fortification.

Secretary Update:

Meeting Minutes for April read and approved. Need to upload to the website. Someone will show Chey how so that she can do this herself moving forward.

Finacial Report:

- Checking: \$5,507.10
- Savings: \$5.81
- Men's: \$20,675.71
- COD: \$60,981.62

Feild Report:

- Dogs pooping and digging holes. Holes are expensive to fix and dangerous for the children. Put up more signs? Find ways to deal with this.
- New nets (\$230) Goals (\$3,000) Need people to treat them with respect and stop climbing on them.

Concessions:

Bathrooms: Need to make sure they are locked when not in use. Whoever unlocks them is responsible for locking them.

Fall Registration:

- Registration will begin June 1st
- Registrars will get together during the Registrar meeting on the 19th to discuss dates for walk-in registrations.

Insident Reports:

A parent is having issues remaining respectful and following the Code of Conduct. An e-mail has been sent; professionally asking the behavior to change or removal from all games and practices will be the next step.

Roles & Responsibilities:

We need to work on overlapping responsibilities, so if any one of us leaves then someone can jump into the role until a replacement is found. However, also making sure to stay in our own lane, essentially not doing someone else's job for them.

Homework: Taking the rough draft "Roles and Responsibilities" looking it over and making any changes or additions. Hopefully coming back together with a more thorough document.

Tech Equipment:

Need two new computers for registration (club computers, not personal). Also asking for an iPad so that we make use it to take card payments, pictures of documents to upload, etc.

Jak Motion. Shawna 2nd. All in favor, none opposed.

Other:

- **Having a set of plain white pennies** would be helpful when teams are similar colors. The club would buy them and they would be returned to the club after the game.
- CYSA has asked that all the clubs bump up their player fees to \$90 next season. The board has unanimously agreed that this is too much of an increase and will be

too difficult on the Families and the community. Fees will remain the same for Longview Soccer Club at this time.

- Men's league: Has 7 teams. Total 46 games played. Sundays 9am-11am. (Concerns with some fighting still).
- Adding Wahkiakum to the game rosters. They are a small league and would like to participate in more games. We agree to add them, however we would like them to come to 7th Ave. to play.
- **Look for new Metal Doors.** Some of the club doors are rusting and very old. Will keep an eye out for a good deal/donation.
- Club Garage/yard Sale: June 21st & 22nd.

*People can rent their own spot to sell their personal items (the money they make will be theirs). Spots are \$20.

Called to Close: 8:35pm
