

ANGOLA KID'S LEAGUE

2026 ROOKIE GIRLS LEAGUE RULES

1. Age: 6, 7, & 8 year old girls.

2. Player Roster: A 12-player roster (when possible) will be used. All players will be in the batting order.

A game can be played with as few as 7 players.

- A. A fourth outfielder and fifth infielder will be placed on the field defensively.
- B. A player is placed on either side of the pitching coach, assuming the defensive position of the pitcher. The player(s) in this position must have both feet inside the pitching circle until the ball crosses the plate. PENALTY shall be the pitch is called a No-Pitch.
- C. The catcher takes her normal position.
- D. All four outfielders must be on the outfield grass.
- E. All batters must wear batting helmet with approved face guard.
- F. All infielders including the pitcher must wear a fielder's mask.
- G. All players shall wear the shirts supplied by the league and may not deface or alter it in any way or she will not be permitted to play in a game until repairs are made. This includes coaches on their shirts also.

This now means 11 players have been placed on the field defensively. The extra 12th player is in the batting order and will be placed in the field defensively after the first inning. With each new inning the team coach must rotate the extra player in the field and a new player sits on the bench for the next half inning. No player is permitted to sit on the bench more than half an inning unless a special situation warrants such (injury or illness). At this level it is important players actively participate every moment and not waste time sitting on the bench growing bored.

3. Game Length: All games will play six innings or one hour and thirty minutes finish the inning. If the game is tied it will remain tied. Standings will be based on a point system. Two points will be awarded for a win and one point will be awarded to each team with a tie. If two teams have the same point total at the end of the season the tie will be broken by the results of their head-to-head meeting. In the unlikely event the two teams still remain tied, the total number of runs scored in head to head games will be used after that total runs for the season will be determining factor and after that a coin toss.

4. Field Dimension: Standard youth base lengths of 60 feet; the pitching plate will be set at 35 feet.

5. Umpires: Only one umpire is necessary since calling of balls and strikes is eliminated. The umpire will be positioned behind the pitcher. A 3rd coach or parent volunteer shall be the pitcher after a player has thrown 4 pitches, this person must have a background check. The person pitching must be quiet during the play. The home team will have the official scorebook and is responsible for filling out the game score sheet and having a parent operate the scoreboard. This will enable us to be able to keep track of the standings.

6. Playing Rules: Normal youth Minor Girls League softball ball rules will apply with the following exceptions:

- A. Absolutely no stealing of any base.
- B. Each batter will receive a maximum of 5 pitches. However, if the batter hits a foul ball on the last pitch they shall not be out unless the ball is caught.

- F. If a batted ball makes contact with the Coach Pitcher it is considered a dead ball and the batter will be awarded 1 base. Any base runner (s) that is forced to advance by the batter being awarded a base shall advance 1 base.
