

Palm Bay Rockets

2024 Sponsorship/Donation Opportunities

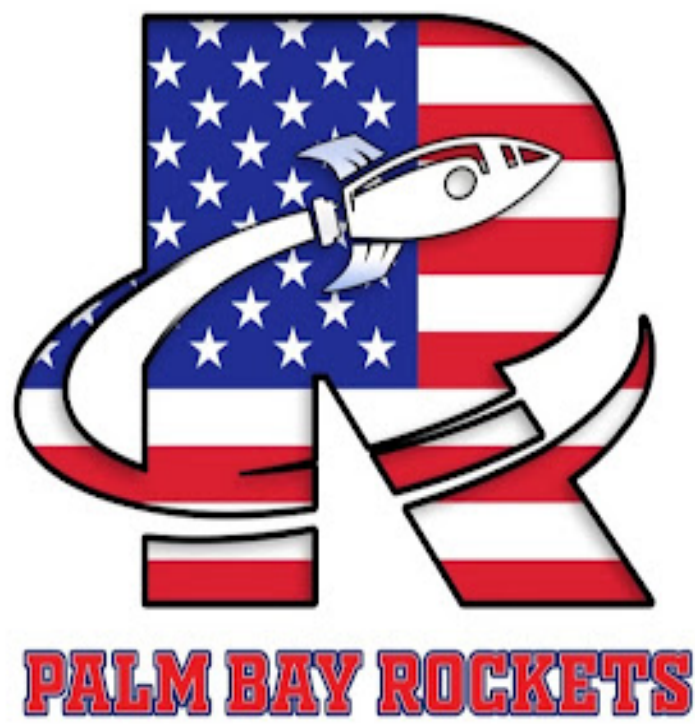

Dear Potential Sponsor,

We are so excited to start our fall 2023 football season! We are expecting to have 100+ Rockets athletes in our program this year. We will be purchasing a lot of new equipment, so your donation is very much appreciated.

We are the Palm Bay Rockets youth football and cheer program. We compete in the Southeast Region for Pop Warner Little Scholars. We pride ourselves in being a part of a national program that instills values beyond the field of competition, values that we too share. With a scholastic program we encourage young athletes to do well in school and promote values such as sportsmanship, integrity, and leadership. We also help provide resources to help any student achieve a grade point average they will be proud of. We strive to create a family, community, and respectful atmosphere, and a safe and fun playing environment, while competing at a championship level. With a championship history, a dedicated staff of driven volunteers, the Rockets are prepared to reach even greater heights! We are Rocket Nation!

Thank you for supporting our awesome 5–14 year-old youth representing Palm Bay and Brevard county for Pop Warner. We sincerely appreciate your support of the Rockets.

Sponsorship Benefits	Rocket Donor \$100	Player Sponsor \$250	Silver Sponso \$500	Gold Sponso \$1000	Platinum Sponsor \$1500
