1. A team must field no less than eight (8) players for a regulation game. Four (4) played innings constitutes a regulation game (EXCEPTION: See Mercy Rule)
2. The draft will follow the completion of player evaluations/try-outs. Players will be ranked by try-out scores in each division and enter the draft in their respective division. Players who have a parent/grandparent/guardian coaching may be assigned to that coach/team directly with no other coach drafting that player. (see Draft Procedures attached).
3. Any League Age eleven (11) year old drafted by a Major team remains in the Major division and may not appear on any Minor team roster. If a player in the Minor League division is drafted during the season as a replacement player for a Major team, the player remains in the Major Division for the remainder of the season and may not appear on a Minor team roster.
4. **Grounds Maintenance** – Coaches for both teams are responsible for putting out the bases, chalking the lines, chalking the batter’s box, putting out trash cans, dragging and watering the field. EXCEPTION: If Atwater Bombers Baseball has a Grounds Keeper, that person will be responsible for putting out the bases, chalking the lines, chalking the batter’s box, putting out trash cans, dragging and watering the field.

7. **On Deck Batters** – ABBC prohibits an on-deck batter on the playing field for players twelve (12) years and younger. This rule does not apply to the Intermediate division.

8. **Mercy Rule** - For all Minor and Major division baseball the Mercy Rule will apply as follows:

8 runs after 5 innings (4 ½) if the home team is ahead.

10 runs after 4 innings (3 ½) if the home team is ahead.

15 runs after 3 innings (2 ½) if the home team is ahead.

Intermediate Division –

8 runs after 6 innings (5 ½) if the home team is ahead.

10 runs after 5 innings (4 ½) if the home team is ahead.

15 runs after 4 innings (3 ½) if the home team is ahead.

9. A new inning starts the instant the last out of an inning is recorded. No new inning may start when only five (5) minutes remain in the game.

10. **Rescheduled Games** – If a team cannot field at least eight (8) players due to conflict with a school function, the game will automatically be rescheduled.

The Head Coach must contact the ABB Vice President at least 24 hours prior to the scheduled game to advise that they will not have enough players and state the reason why.

11. **Umpires** – ABB will supply an official Umpire. Head Coaches will direct all questions regarding the score only through the umpire. The umpire will call time and allow the scorekeeper to resolve any discrepancies before play continues. If no League umpire is available for a scheduled league or playoff game, the head coaches of the teams can mutually agree to stand in for umpire or umpires. Balls and strikes can be called from behind the pitcher's mound if necessary.

Pitch Count & Recorders (if not kept by the Scorekeeper) will be designated by the Head Coach of each team. This person may be a coach or a volunteer. Before the start of each game the Head Coaches will introduce the pitch count recorders to the head umpire.

After each half inning the umpire(s) will confer with the pitch count recorders to make sure that pitch count is accurate for both teams. At the end of each game, the head umpire will record the pitch count and score, and both Head Coaches will sign the scorecard to be handed in to an ABB director for official records.

Pitch Count by age of player:

9-10 yr olds Maximum of 75 pitches.

AT NO TIME may an assistant coach, player or spectator approach or speak to an umpire regarding a call.
13. **Replacement player policy**-if a team cannot field the required number of players, a replacement player may be requested from another team. The replacement player must ONLY play in the outfield positions, cannot pitch or play catcher, and must bat last in the line-up.

15. **Chanting** – no derogatory or demeaning chants are allowed by players, coaches, or spectators. (See Code of Conduct)
16. **Championship Games, Post-Season Playoffs, Standings** – The seeding for playoff games will be determined by the overall record of each team for the entire season. ABB uses a point system to determine standings and team records as follows:

Each win 2 points

Tie game 1 point

Loss 0 points

The following process will be used to break a tie in points: most wins, runs scored, runs allowed and/or a coin flip.

The Home team designation is determined by the teams' overall season record; the team with the higher standing/better overall record is the Home team.

Playoff games for all divisions will adhere to the 8/10/15 run rule with no time limit (see Rule 8 above).

Any protests will be decided upon before play resumes. If a protest is not decided upon within twenty (20) minutes, the remainder of the game will be
