SIZE CHART

How to order correct size

From the appropriate chart below, order the Badger Sportswear label size letter that corresponds to the range that includes the actual body measurements in inches.

How to measure

Bust/Chest: With arms relaxed at sides, measure around the body at the fullest part of the bust/ chest, keeping the tape parallel to the floor.

Waist: Measure around the body (not on top of clothing) at the waist level. **Hip:** With feet together, measure around the fullest part at the hip level, keeping the tape parallel to the floor.

Inseam: With feet slightly apart, measure vertically from the top inside of the leg down to the ankle bone.

A black silhouette of a male figure is shown on the left side of the image. Three horizontal white lines with labels indicate measurement points: 'CHEST' across the upper torso, 'WAIST' at the natural waistline, and 'INSEAM' along the inner leg from the crotch to the ankle.
